		single phase power supply and compressor pigtail would need to be supplied by the customer.  Please confirm your power requirements with your electrician prior to ordering. We will need to know voltage and phase of the power that you have available.  An electrician will need to hook up the system to the house power. The customer will be responsible for arranging for the electrician to handle this after delivery to ensure proper local electrical codes are met.			

	<b>Subtotal</b>	118,384.00
<b>Shipping Cost (CIC - COLLECT)</b>		3,000.00
