**G. Public Input:** Public input was solicited through face to face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

**H. Advertising and Outreach:** SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

**I. Waiting List/Priorities:** A waiting list will be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time completed applications were submitted as well as any established funding priorities as described in this plan.

The following priorities for funding (very low income, Special Needs, etc.) described/listed here apply to all strategies unless otherwise stated in an individual strategy in Section II:

- M. Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at [www.floridahousing.org](http://www.floridahousing.org).

*“Affordable” means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual*

*household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.*

- N. Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.
- O. Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.
- P. Administrative Budget:** A line-item budget is attached as Exhibit A. The city/county finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

**Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states:** "A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan."

**Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states:** "The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs." ### III. LHAP Incentive Strategies

In addition to the **required Incentive Strategy A and Strategy B**, include all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

- A. Name of the Strategy: **Expedited Permitting**  
Permits as defined in s. 163.3177 (6) (f) (3) for affordable housing projects are expedited to a greater degree than other projects.

Provide a description of the procedures used to implement this strategy: Administrative Policy 07-04 requires the Marion County Community Services Department review all Affordable/Workforce Housing Department applications for affordability provisions. Approved projects will be provided with a Certification of Affordability to be attached to their application. The Application and Certification will be forwarded to the Department Review Committee (DRC). The DRC will meet with the Affordable Housing Project Manager or Engineer at their next scheduled meeting to establish timelines and procedures for fast tracking reviews and permit processing. The timeline schedule and procedures for fast tracking shall be provided to the Marion County Community Services Department, along with an estimation of how much time this expedited schedule will save over regular development processing.

- B. Name of the Strategy: **Ongoing Review Process**  
An ongoing process for review of local policies, ordinances, regulations and plan provisions that increase the cost of housing prior to their adoption.

Provide a description of the procedures used to implement this strategy: All Departments under the Marion County Administrator will, prior to adoption or Board approval, review all policies, procedures, ordinances, regulations or plan provisions to determine if there will be any impact to the cost of housing. If there is a cost associated, this cost is to be noted to the Agenda Cover Page and forwarded to the Marion County Community Services Department prior to the Board meeting. If it is a policy change that does not require Board action, a summary with the associated cost should be forwarded to the Marion County Community Services Director for review and comment prior to implementations.

- C. Other Incentive Strategies Adopted: **Impact Fees, modifications, waivers, or reimbursements**  
Ordinance No. 15-14, § 1, 9-1-2015 allows the County Administrator to approve an agreement for twelve (12) equal monthly payments of the impact fee for applicants who meet the Marion County SHIP Program guidelines for low income families. A forty dollar (\$40.00) nonrefundable processing fee will be charged for all applications for a deferred payment agreement.
1. Use SHIP funds, when available, to pay for impact and building department fees for new affordable housing projects consisting of more than four units, resulting in a revenue neutral incentive.
  2. Designate incentive areas, possibly by proximity to employment centers and public transportation routes, for reduction or waiver of impact fees.
  3. Establish lien mechanisms to recapture these fees if the house is sold within ten (10) years.

Exhibit F: Additional Instructions and Information for Purchase Assistance and New Construction for Community Land Trust (CLT) Homes

In the event of any sale of the property, including the exercise of a right of first refusal by the County or CLT, the purchase price shall be determined using the following method except by mutual agreement of the County, the CLT, and the homeowner. The terms and prices below are provided as an example provision for any future mortgage or CLT ground lease.

**PURCHASE OPTION PRICE EQUALS LESSER OF APPRAISED VALUE OR FORMULA PRICE:** In no event may the Home be sold for a price that exceeds the Purchase Option Price. The Purchase Option Price shall be the lesser of (a) the value of the Home (consisting of improvements only) as determined by the Appraisal commissioned and conducted by the CLT or (b) the price calculated in accordance with the formula described below (the Formula Price).

**HOW THE FORMULA PRICE IS CALCULATED:** The Formula Price shall be equal to Homeowner's Base Price, as stated below, plus a share of the increased market value of the improvements based upon the months of ownership as stated in the chart below.

*Homeowner's Base Price:* The parties agree that the Homeowner's Base Price for Homeowner's Property as of the signing of this Lease is \$205,000.00 (excluding land).

*Initial Appraised Value:* The parties agree that the appraised value of the Home at the time of Homeowner's purchase (the Initial Appraised Value) is \$205,000.00 (excluding land), as documented by the initial appraiser's report attached to this Lease.

*Increase in Market Value:* The increase in market value of the Home equals the appraised value of the Home at time of sale minus the Initial Appraised Value.

*Homeowner's share of Increase in Market Value:* Homeowner's share of the increase in the market value is based upon the number of years of ownership. If Lease expires less than 20 years old homeowner will receive 25% of the increase; between 20 years but less than 30 years, it increases to 30%; and if it expires 30 years and over it increases to 35%.

*Summary of Formula Price:* The formula price equals homeowner's Base Price plus homeowner's Share of Increase in Market Value.

*Example of Mathematical Calculation of Sales Proceeds:* **THIS IS AN EXAMPLE** Homeowner is moving away after living in the home for 15 years. The initial appraisal was \$205,000 (excluding land) and the CLT commissioned an appraiser who placed a current value at \$215,000 (excluding land). Since the base price of \$205,000 plus the homeowner's percentage of shared equity of \$2,500 is less than the new appraised price plus homeowner's percentage of \$2,500 ( $\$205,000 + \$2,500 = 207,500$ ) will be the used for the new sales price). Pay offs will be the first mortgage at purchase was \$175,000 amortized over 30 years at an estimated 6.75% interest rate and the payoff is \$128,267 and a second mortgage for \$30,000.

The owner will receive 25% of the increased value and the CLT will receive 75%.

Current Appraisal	\$215,000
Less: Appraisal at Purchase	<u>\$205,000</u>
Increase in Value	\$10,000

Homeowner's Percentage	25%
Homeowner's Shared Equity	\$2,500
CLT's Percentage	75%
CLT's Shared Equity	\$7,500

Sales Price	\$207,500
Less: Mortgage Payoff	\$128,267
Less: Second Mortgage	\$30,000
Less: CLT's Equity	<u>\$7,500</u>
Homeowner's Proceeds	\$41,733
Before Closing Costs	

**QUALIFIED PURCHASER SHALL RECEIVE NEW LEASE:** The CLT shall issue a new lease to any person who purchases the Home in accordance with the terms of this Article. The terms of such lease shall be the same as those of new leases issued to homebuyers at that time for land not previously leased by the CLT.

**PURCHASER MAY BE CHARGED A LEASE RE-ISSUANCE FEE.** In the event that Homeowner sells the home to a party other than the CLT (whether directly to such party or as a result of CLT's assignment of its Purchase Option to such party), the price to be paid by such purchaser shall include, in addition to the Purchase Option Price, at the discretion of the CLT, a lease re-issuance fee to compensate the CLT for carrying out its responsibilities with regard to issuing a new lease. The amount of the lease re-issuance fee shall be no more than 5% of the Purchase Option Price.

**HOMEOWNER REQUIRED TO MAKE NECESSARY REPAIRS AT TRANSFER:** The Homeowner is required to make necessary repairs when they voluntarily transfer the Home as follows:

- a) The person purchasing the Home ("Buyer") shall, prior to purchasing the Home, hire at their sole expense, a building inspector with a current Home Inspector license from the Florida Department of Business and Professional Regulation to assess the condition of the Home and prepare a written report of the condition ("Inspection Report"). The Homeowner shall cooperate fully with the inspection.
- b) The Buyer shall provide a copy of the Inspection Report to Buyer's lender (if any), the Homeowner, and the CLT within 10 days after receiving the Inspection Report.
- c) Homeowner shall repair specific reported defects or conditions necessary to bring the Home into full compliance prior to transferring the Home.
- d) Homeowner shall bear the full cost of the necessary repairs and replacements. However, upon Homeowner's written request, the CLT may allow the Homeowner to

pay all or a portion of the repair costs after transfer, from Homeowner's proceeds of sale, if Homeowner cannot afford to pay such costs prior to the transfer. In such event, either (i) 150% of the unpaid estimated cost of repairs or (ii) 100% of the unpaid cost of completed repairs shall be withheld from Homeowner's proceeds of sale in a CLT-approved escrow account.

- e) Homeowner shall allow CLT, Buyer, and Buyer's building inspector and lender's representative to inspect the repairs prior to closing to determine that the repairs have been satisfactorily completed.
- f) Upon sale or other transfer, Homeowner shall either (i) transfer the Home with all originally purchased appliances or replacements in the Home in good working order or (ii) reduce the Purchase Option Price by the market value of any such appliances that are not left with the Home in good working order.
