The following members of the public spoke during Public Comment:

- Ellie Trueman – 3355 NW 68th Avenue, Ocala

States the sign posted on the property was not sufficient and only was viewable to those who live on that road.

 - Opposed, excess traffic, mentions the buses/schools, concerns for this corner being dangerous already, and questions on saving the trees.

 - Opposed, too much development in this area already and is the wrong location for this particular project. Questions on widening the road and adding a traffic light to help with the extra traffic to come.
