**D. Governance:** The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

**E. Local Housing Partnership:** The SHIP Program encourages building active partnerships between government, lending institutions, builders and developers, not-for-profit and community-based housing providers and service organizations, providers of professional services related to affordable housing, advocates for low-income persons, real estate professionals, persons or entities that can provide housing or support services and lead agencies of the local continuums of care.

**F. Leveraging:** The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

**G. Public Input:** Public input was solicited through face-to-face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

**H. Advertising and Outreach:** SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

**I. Waiting List/Priorities:** A waiting list will be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time applications were submitted, as well as any established funding priorities as described in this plan.

The following priorities for funding described/listed here apply to all strategies unless otherwise stated:

1. Persons with Special Needs as defined in Section 420.0004(13)(a), FS:
  - a) Extremely low income – 30%
  - b) Very income – 50%
  - c) Low income – 80%
  - d) Moderate income – 120%
  
2. Essential Service Personnel as defined in **Section I, S** of this plan:
  - a) Extremely low income – 30%
  - b) Very income – 50%
  - c) Low income – 80%
  - d) Moderate income – 120%
  
3. After serving special needs households as established in **Section I, U** of this plan and qualified essential service personnel, applicants will be served on a first-qualified, first-served basis with priority given to very low, then low, and then moderate-income groups.

- J. Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing.
- K. Support Services and Counseling:** Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, Foreclosure Counseling, and Transportation.
- L. Purchase Price Limits:** The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not exceed 90% of the median area purchase price established by the U.S. Treasury Department or as described above.

The methodology used is:

U.S. Treasury Department	X
Local HFA Numbers	

- M. Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at [www.floridahousing.org](http://www.floridahousing.org).

*“Affordable” means that monthly rents or mortgage payments, including taxes and insurance, do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household’s ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.*

- N. Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.
- O. Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing finance authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance, whichever is longer, unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.
- P. Administrative Budget:** A line-item budget is attached as Exhibit A. The city/county finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

**Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states:** "A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan."

**Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states:** "The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs." The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E."

<b>G. Impact Fees</b>	Code 8, 19
-----------------------	------------

a. **Summary:** SHIP Funds will be awarded to developers to offset a portion of the development impact fees incurred in connection with the development of affordable housing with four (4) or more units.

b. **Fiscal Years Covered:** 2019-2020, 2020-2021, 2021-2022

c. **Income Categories to be served:** Very Low, Low and Moderate

d. **Maximum award:** \$20,000

e. **Terms:**

1. **Repayment loan/deferred loan/grant:** Once the units are constructed, the Developer will pass the lien to the income eligible buyer as a forgivable loan. Eligible buyers shall sign a mortgage and note.
2. **Interest Rate:** 0 %
3. **Years in loan term:** 15 years
4. **Forgiveness:** The loan will be forgiven at the end of 15 years, if all conditions have been met.
5. **Repayment:** None required as long as the loan is in good standing.
6. **Default:** Monthly payments are not required. Repayment of the loan is required in full when one of the following conditions is met, whichever occurs first:
  - a. **Sale.** If proceeds are not sufficient to pay off the first mortgage note, the client may petition the Marion County Community Services Department for an optional payment plan or the County may consider accepting an amount less than the outstanding balance as part of a short sale.
  - b. **Title transfer.** Either voluntarily or by operation of law, including death of the surviving mortgage holder or foreclosure. In the event of foreclosure, Marion County Community Services has the first right of refusal.
  - c. **Refinance to access equity.** Prohibited. However, a refinance of the first mortgage may be approved and the County subordinate its mortgage if the request is submitted in writing, the refinance is at a lower fixed rate with no cash out, and refinanced closing costs do not increase the loan balance beyond the original loan amount.
  - d. **Homeowner no longer resides in the home.** The County reserves the right to foreclose if payment is not received as noted above.
  - e. **Death of the homeowner.** In a case where the assisted homeowner dies during the loan term, the loan may be assumed by an income eligible heir or applicant who will occupy the home as their primary residence. If the home is not occupied by an eligible heir or applicant, the outstanding balance of the loan will be due and payable.

f. **Recipient Selection Criteria:** An applicant may submit a completed SHIP Application to Marion County Community Services for a determination of income eligibility at any time. Applicants are required to provide all documentation requested for income, eligibility, and qualification determination.

1. In the event there are more applications than can be assisted due to lack of funding, the applications will be processed as established by **Section I, I** of this plan when funding becomes available.
2. Persons that qualify for SHIP assistance will be required to contractually agree to all SHIP program guidelines, Marion County SHIP mortgage requirements, repayment provisions, and certify that the unit assisted will be their primary residence.

**g. Sponsor Selection Criteria:** Sponsors will apply through an application process. These processes will require proof of developer experience in constructing and selling affordable housing, financial capacity, including established partnership with a lender, effective project management system, and provide a housing unit design that meets with the County's housing element in the Comprehensive Plan and an eligible purchase assistant client.

**h. Additional Information:** N/A

### III. LHAP Incentive Strategies

In addition to the **required Incentive Strategy A and Strategy B**, include all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

**A. Name of the Strategy: Expedited Permitting**

Permits as defined in s. 163.3177 (6) (f) (3) for affordable housing projects are expedited to a greater degree than other projects.

Provide a description of the procedures used to implement this strategy: Administrative Policy 07-04 requires the Marion County Community Services Department review all Affordable/Workforce Housing Department applications for affordability provisions. Approved projects will be provided with a Certification of Affordability to be attached to their application. The Application and Certification will be forwarded to the Department Review Committee (DRC). The DRC will meet with the Affordable Housing Project Manager or Engineer at their next scheduled meeting to establish timelines and procedures for fast tracking reviews and permit processing. The timeline schedule and procedures for fast tracking shall be provided to the Marion County Community Services Department, along with an estimation of how much time this expedited schedule will save over regular development processing.

**B. Name of the Strategy: Ongoing Review Process**

An ongoing process for review of local policies, ordinances, regulations and plan provisions that increase the cost of housing prior to their adoption.

Provide a description of the procedures used to implement this strategy: All Departments under the Marion County Administrator will, prior to adoption or Board approval, review all policies, procedures, ordinances, regulations or plan provisions to determine if there will be any impact to the cost of housing. If there is a cost associated, this cost is to be noted to the Agenda Cover Page and forwarded to the Marion County Community Services Department prior to the Board meeting. If it is a policy change that does not require Board action, a summary with the associated cost should be forwarded to the Marion County Community Services Director for review and comment prior to implementations.

**C. Other Incentive Strategies Adopted: Impact Fees, modifications, waivers, or reimbursements**

Ordinance No. 15-14, § 1, 9-1-2015 allows the County Administrator to approve an agreement for twelve (12) equal monthly payments of the impact fee for applicants who meet the Marion County SHIP Program guidelines for low income families. A forty dollar (\$40.00) nonrefundable processing fee will be charged for all applications for a deferred payment agreement.

- Use SHIP funds, when available, to pay for impact and building department fees for new affordable housing projects consisting of more than four units, resulting in a revenue neutral incentive.
- Designate incentive areas, possibly by proximity to employment centers and public transportation routes, for reduction or waiver of impact fees.
- Establish lien mechanisms to recapture these fees if the house is sold within ten (10) years.
