Re: Request for Continuance for Hearings on Comp Plan Amendment #2022-S07 and Rezoning Application #220408Z

Dear Chris:

This will follow up on our telephone conversation and meeting of last week concerning the above matter.

I represent the applicant, Luxury Leased Homes USA, LLC but have not yet been authorized to represent the owner, Akshar Development, LLC. Thus, pursuant to our telephone conversation, I am having the person who is authorized by the owner – Mr. Jose Kreutz – execute this letter confirming that I am making this request on his behalf.

The items are currently scheduled for the May 17, 2022, County Commission Agenda. My clients are requesting that both matters be continued until the County Commission's June 21, 2022, meeting (or the first available meeting thereafter).

The reasons for our request are the same as set forth in my prior letter to you dated April 9, 2022, when the hearings were continued to April 19. My client has not yet finished the revised PUD Concept Plan and thus we need additional time to continue to work on it.

I look forward to hearing from you and continuing to work with you.

Sincerely,

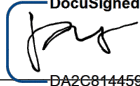

GOODING & BATSEL, PLLC

/s/ Jimmy Gooding /s/

CONFIRMATION OF REQUEST

The undersigned, being the authorized representative for the applicant and owner on this project, confirms that Jimmy Gooding is making this request on my behalf and that such request it is authorized by me.
