The COUNTY acknowledges that ENGINEER has no control over the cost of labor, materials, equipment, or over the Contractor's methods of determining prices or over competitive bidding or market conditions. Opinions of probable construction costs will be based on the information known to ENGINEER at the time and represent only ENGINEER'S judgment as a design professional familiar with the construction industry. ENGINEER cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from its opinions of probable costs.

C. IMPACT TO DRAINAGE
