SPECIAL USE PERMIT APPLICATION

For

JULIETTE FALLS TEMPORARY PRO-SHOP FACILITY

Address: 17717 SW 70th Street, Dunnellon, FL

Applicant: Vikings, LLC

Reference: 150602SU approved 6/6/2015

INTRODUCTION

Juliette Falls is a Master Planned Community, zoned as a Planned Unit Development (PUD) consisting of a 18-hole championship golf course, 542 single family detached home sites, 136 acre conservation area and development related amenities and support facilities. Juliette Falls is Located on State Road 40 west of Ocala, and about two miles east of the US 41 intersection with SR 40. The owners of Juliette Falls; Vikings, LLC; Opened the development for golf recreation and residential housing sales in October 2007. On June 7, 2007 Special Use Permit No. 070606SU was issued and Resolution No. 07-R-263 was approved for Vikings, LLC to use one of the large residential style homes adjacent to the golf course tee box No. 10 as a temporary Pro-Shop. The large 2-story home was constructed with special features to include a snack bar, seating area and Pro-Shop to operate the golf business. Also at that time, a permanent cart barn facility and modern golf maintenance facility were constructed to allow all maintenance and equipment operations to be separate and remote from the temporary pro-shop. The 2007 SUP approval was conditioned to expire on June 30, 2010.

Due to the well known housing construction slowdown and economic turn down in Marion County, and in recognition of low real estate market conditions in 2009, the Florida Senate passed Senate Bill No. 360 to allow relief to the development and real estate community by allowing extension of development permits. In May 2010, Vikings, LLC requests Marion County recognized the need for an extension of time for the Special Use and On July 20, 2010 the Board passed resolution No. 10-R-276 granting a new Special Use Permit 100709SU with an expiration date on July 20, 2015.

As a resultant of the slow economic recovery Juliette Falls like several other development interests did not recover to a strong sales volume. On June 16, 2015 the Board passed resolution No. 15-R-196 granting a new Special Use Permit 150602SU with a 5 year extension to a new expiration date on June 16, 2020.

On July 21, 2020 the Board approved Resolution No. 20-R-225 granting a new Special Use Permit 200601SU with a 5 year extension to a new expiration date on June 16, 2025.

Juliette Falls has realized steady improvement and increased use of the golf facilities at the community in the last few years. Home building has improved, however, is still not a significant volume in the area of Juliette Falls. At the same time the cost of commercial construction has increased significantly and impacted the permanent clubhouse budget. As a result, the permanent golf membership and anticipated community sales funding to construct a permanent clubhouse

facility has not increased accordingly. Although the golf facilities remain one of the premier courses in Marion County, it is directly attributed to the economical Pro-shop facilities and ability to channel golf revenue directly back into the quality and maintenance of the golf course and existing Pro-Shop building. This provides for a very good golf experience and positive presentation of Marion County quality of living.

Vikings, LLC therefore, is requesting a five (5) year extension of time to be granted with a new Special Use Permit to continue utilize the existing temporary Pro-Shop. This extension of the time limit will allow additional opportunity to utilize the existing temporary pro-shop while also providing more time for community sales and home construction to increase, and the related increase in golf membership levels, as well as the economic balance of commercial construction cost to support a larger permanent clubhouse facility.

The following information is provided in support of this Special Use Permit request.

RELATIONSHIP TO MARION COUNTY COMPREHENSIVE PLAN AND LAND DEVELOPMENT CODE

The proposed Special Use Permit area is located within a Juliette Falls PUD residential area adjacent to the golf course and designated Clubhouse facilities area. The special residential home design structure is consistent and compatible with the character of the residential construction of the Juliette Falls development and consistent with the character of the plans for the surrounding area. The Pro-Shop facilities are bordered by the golf course, buffer areas and vacant residential lots owned and controlled by the applicant. The current facilities have been constructed and operational since 2007 have provide a safe and compatible area for parking and golf pro-shop operations. Over time the area landscaping has matured to enhance a natural looking buffer for the area as well as trees for shade.

LAND USE and FINDINGS OF FACT

Vikings, LLC currently is the owner of all surrounding land parcels and a major portion of the entire 542 acre development. The subject site is located at the end of a cul-de-sac street and was constructed before any lot sales in the area took place. Current home owners are well aware of the Pro-Shop and perspective home buyers are able to visit the temporary pro-shop and understand its location, appearance and compatibility with the surrounding area.

Ingress/Egress:

Accessibility for ingress and egress are provided from S.W. 179th Avenue Road, a paved, curb & gutter roadway with cud-de-sac turn around. Emergency vehicle access is accommodated. Traffic flow to the Pro-Shop is through the main internal development roadway from SR 40.

Off Street Parking:

Off-street parking has been established adjacent to the Pro-Shop with a landscaped paved parking area on platted residential lots that were held off the market until the temporary Pro-Shop is no longer needed. Parking for the golf operations includes a large overflow paved parking area near the temporary pro-shop within the area of the future Clubhouse tract. These parking facilities are utilized daily and support the occasional necessary need for golf tournaments. Parking facility access and circulation has functioned well and meets current Land Development Code design criteria. The existing facilities meet ADA compliance requirements to include Handicap Accessibility to and from the Pro-Shop and parking lot.

Solid Waste/Refuse:

Provisions for refuse and solid waste disposal service for the site are currently provided for the facilities and include a dumpster with appropriate screening in accordance with the Land Development Code.

Utility Service:

Utility services for public drinking water, domestic wastewater service, telephone, gas, electric and cable TV and US Postal Service are all established for the facility, including a grease interceptor for kitchen waste. Water and Wastewater service are provided by Florida Government Utility Authority after acquiring the utility from the City of Dunnellon.

Screening & Buffering:

Landscaping is installed and well maintained around the Pro-Shop and is consistent with the residential neighborhood landscaping scheme. The established buffers shall be maintained between parking and residential streets.

Signage and Exterior Lighting:

The proposed continued use of the site as a temporary Pro-Shop includes the use of temporary signage installed to direct the general public and community residence to appropriate shop entrances and parking facilities. The signage is discrete and consistent with similar development signage.

Yards and other Green Spaces:

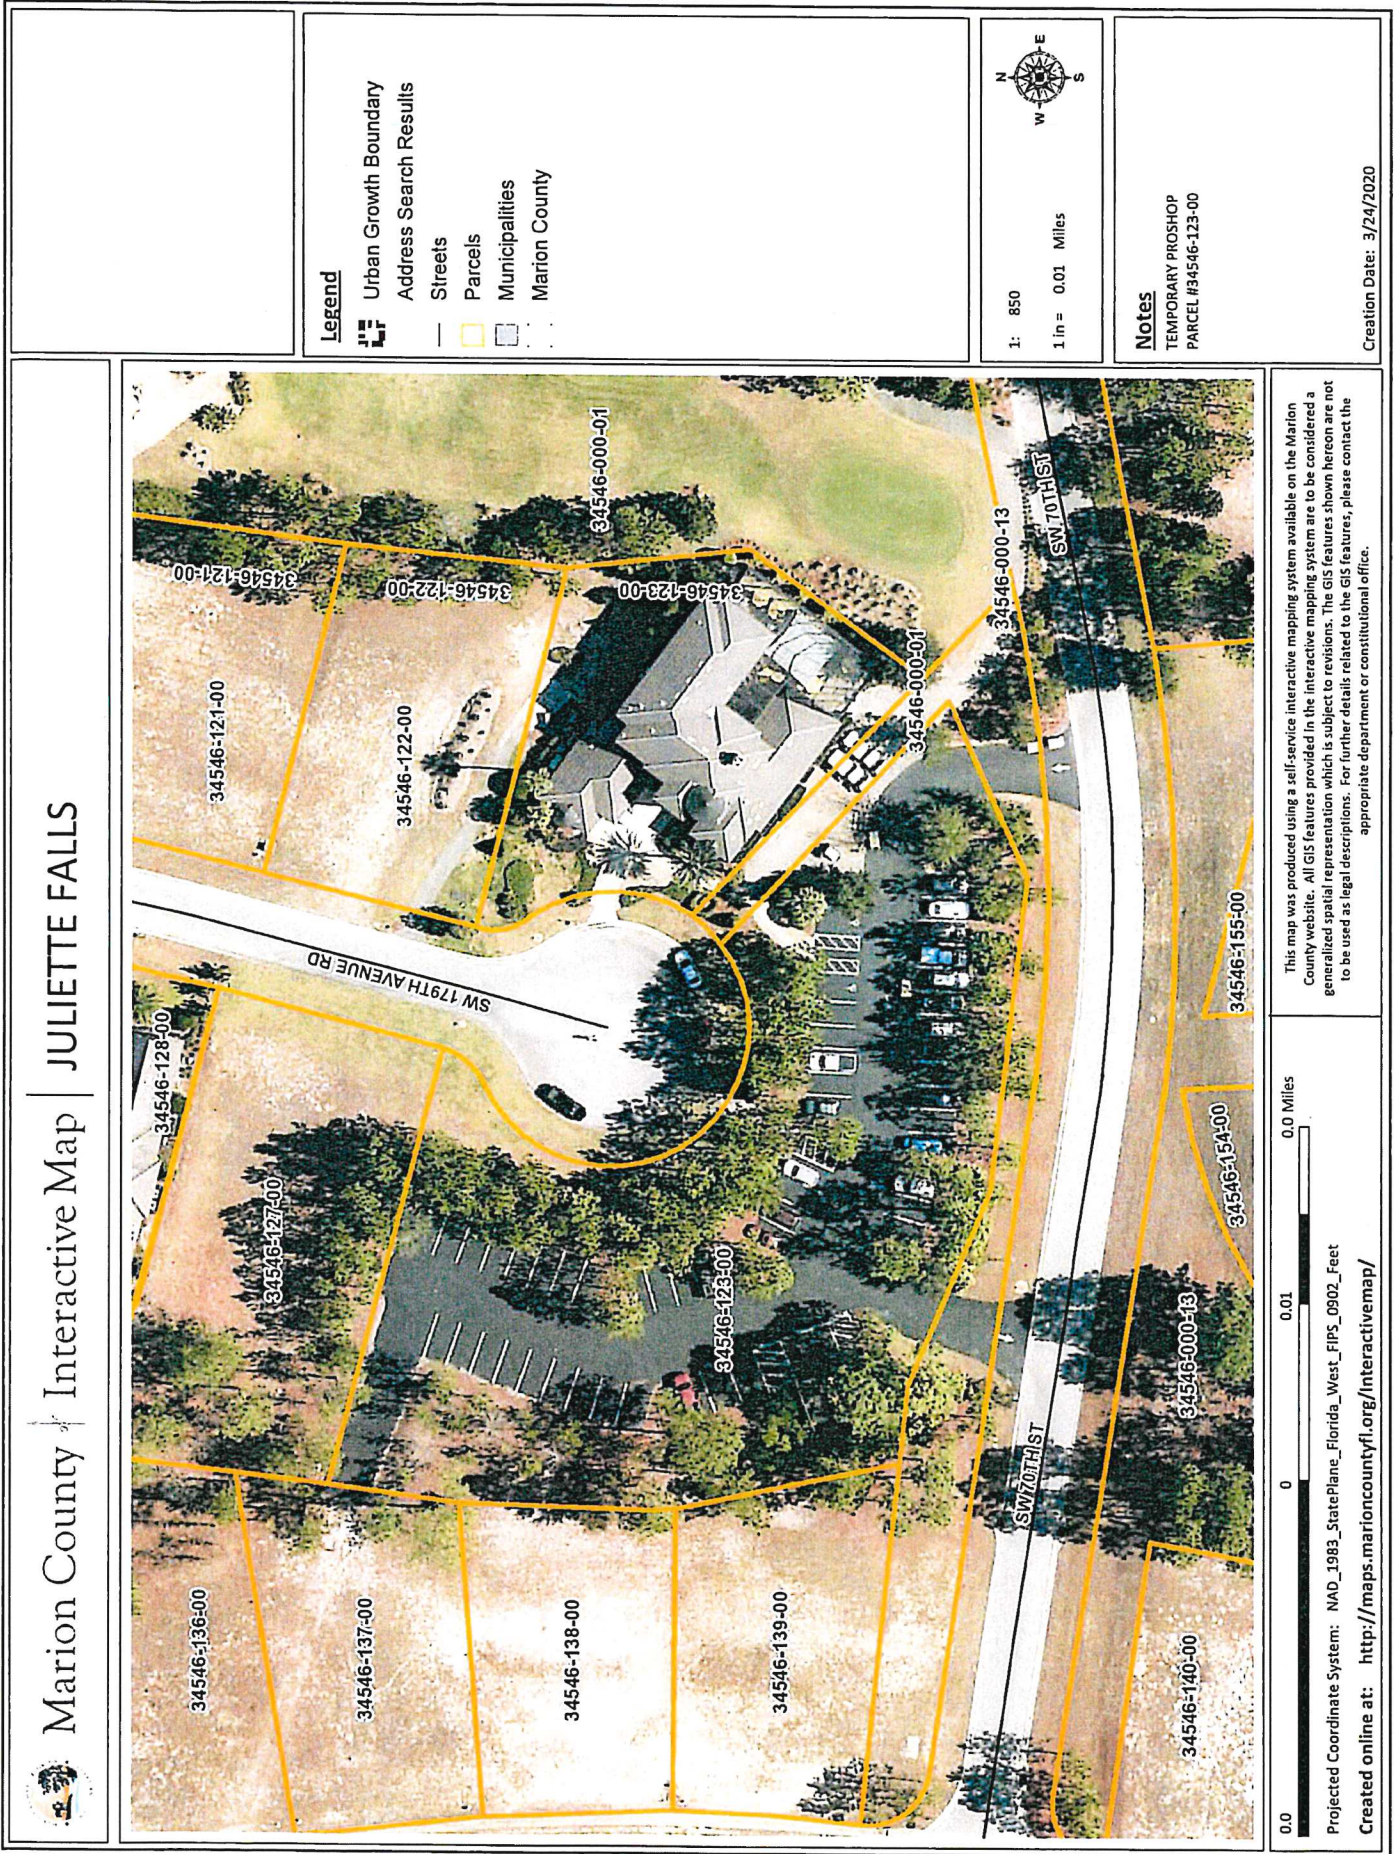

Yards, green spaces and buffering are provided around the site consistent with the Land Development Code for residential lot and parking facility areas. Landscaping and buffering is established in the parking lot areas and along the access roadways to provide a well screen buffer and green space areas.

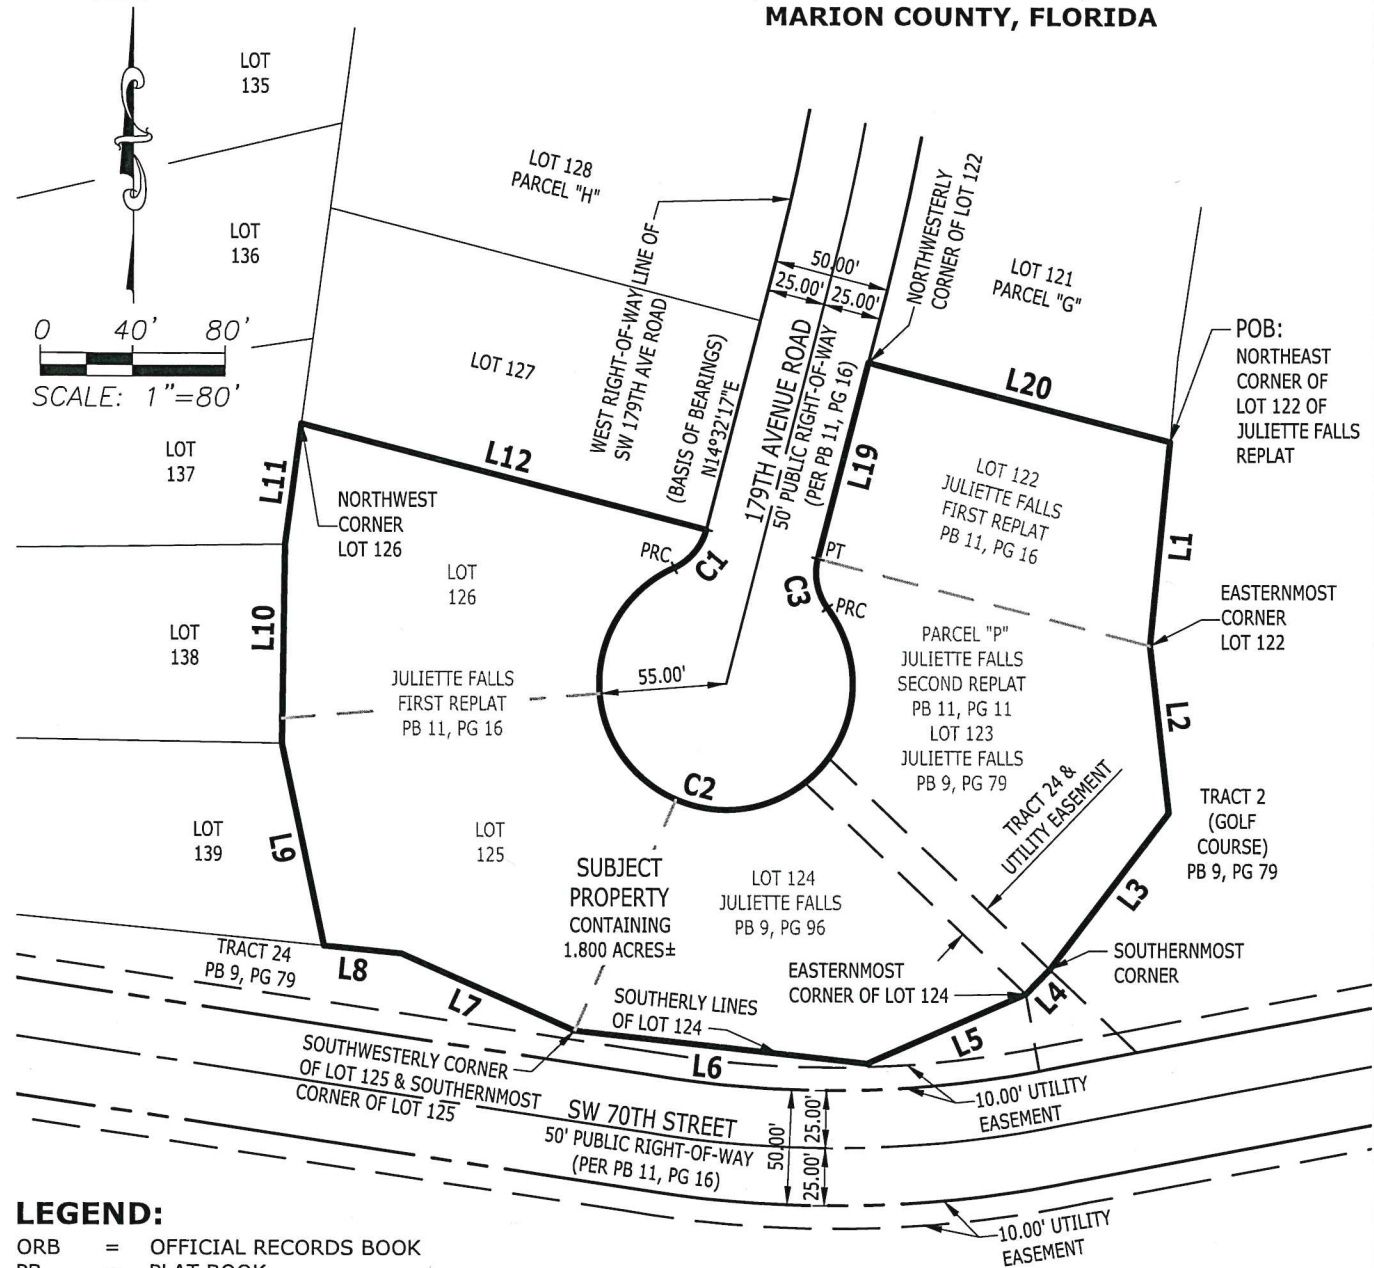

General Compatibility with adjacent property:

With the structure being a large residential estate home style and exterior construction materials, the pro-shop has the appearance of the upscale residential homes in the community. The areas of the pro-shop with open views from the pro-shop when used by guests and the outdoor dining area are primarily away from and on the opposite side of building site that borders the neighborhood street. Access to and from the pro-shop by golf carts and drop off/pick up service is along the golf course access drive to the cart barn and practice greens and therefore is hidden from the neighborhood. For the past several years the facility use and operations have demonstrated to be very compatible with the adjacent properties. No change in operations or services provided are proposed. Therefore no change in the compatibility with the community is anticipated.

SPECIAL USE PERMIT DURATION

Vikings, LLC requests a new Special Use Permit to extend the duration of the use of the existing temporary Pro-Shop facility for five (5) years.

WARRANTY DEED (STATUTORY FORM- SECTION 689.02, F.S.)

This Indenture, made this 20th day of July, 2004 between **SANDY McBRIDE, INDIVIDUALLY AND AS TRUSTEE**, whose post office address is 1533 Fort King Street, Ocala, Florida 34471 (hereinafter "**Grantor**"), and **VIKINGS, LLC, a Pennsylvania Limited Liability Company** whose post office address is c/o Penn Aviation, 634 Long Lane, Suite 1, Jersey Shore, Pennsylvania 17440 (hereinafter "**Grantee**").

WITNESSETH that said Grantor, for and in consideration of the sum of Ten Dollars (\$10.00), and other good and valuable consideration to said Grantor in hand paid by said Grantee, the receipt whereof is hereby acknowledged, has granted, bargained and sold to the said Grantee, and Grantee's heirs and assigns forever, the following described land, situated, lying and being in Marion County, Florida, to-wit:

SEE EXHIBIT "A"

GRANTOR REPRESENTS AND WARRANTS THAT THE PROPERTY DESCRIBED IS NOT HIS HOMESTEAD NOR IS IT CONTIGUOUS TO LANDS CLAIMED BY HIM AS HOMESTEAD AS DEFINED BY ARTICLE 10, SECTION 4 OF THE FLORIDA CONSTITUTION, THAT GRANTOR DOES NOT RESIDE ON THE REAL PROPERTY WHICH IS THE SUBJECT MATTER OF THIS DEED, NOR IS THE REAL PROPERTY ADJACENT TO OR CONTIGUOUS WITH HIS HOMESTEAD. NO MEMBER OF GRANTOR'S FAMILY DEPENDENT UPON GRANTOR FOR SUPPORT RESIDES UPON THE REAL PROPERTY.

Subject to the following:

1. Taxes and assessments for the year 2004 and subsequent years.
2. Development Order recorded in OR Book 1058, Page 1633, as modified in OR Book 1673, Page 1115, OR Book 2990, Page 604 and OR Book 3085, Page 1422, all being among the Public Records of Marion County, Florida.

And said Grantor does hereby fully warrant the title to said land, and will defend the same against the lawful claims of all persons whomsoever.

"Grantor" and "Grantee" are used for singular or plural, as context required.

Project No. 127.88
Ardurra No. 2025-0328-00

Subject: Application for Special Use Permit and Duration Extension
Juliette Falls Temporary Golf Pro-Shop
Section 5, TWN 16S, RNG 19 E
Marion Co., FL

To Whom it may concern:

Enclosed is an original signed copy of the application and supporting documentation for a Special Use Permit to extend the Special Use duration to utilize the existing Temporary Pro-Shop Facilities at the Juliette Falls development until such time as the permanent clubhouse facility is constructed. This submittal is being submitted electronically and by hard copy. This submittal includes the following supporting documentation for this application:

- Application form and Letter of Authorization
- Copies of Property Deed including legal description
- Legal Description of SUP area.
- Site Plan sketch of existing temporary Pro-Shop facility, including temporary parking areas.
- Site analysis and site specific information report with written findings of fact in accordance with Article 4, section 4.6.4a.

The application fee of \$300 will be paid upon notice that the application is received and payment can be made through the County credit card use payment system.

Juliette Falls has realized steady improvement and increased use of the golf facilities at the community in the last few years. Home building has improved, however, is still not a significant volume in the area of Juliette Falls. At the same time the cost of construction has increased significantly and impacted the permanent clubhouse budget. As a result, the permanent golf membership and anticipated community sales funding to construct a permanent clubhouse facility has not increased accordingly. Although the golf facilities remain one of the premier courses in Marion County, it is directly attributed to the economical Pro-shop facilities and ability to channel golf revenue directly back into the quality and maintenance of the course and existing Pro-Shop building.

March 27, 2025
Page 2

Vikings, LLC therefore, respectfully requests a five (5) year extension of time be granted to continue to utilize the existing temporary Pro-Shop at the community. This time extension will provide more time for community sales to increase, and the related increase in golf membership levels, as well as time to work through the necessary funding increases to better match financing and construction cost for a future permanent clubhouse facility.

We respectfully request the processing of this application with the Zoning Commission and Board of County Commission.

Should you have any questions or need additional information please do not hesitate to contact me.

Sincerely,

Chuck Pigeon, P.E.
Principal Engineer

RESOLUTION NO. 20-R-225

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MARION COUNTY, FLORIDA, APPROVING A RENEWAL AND EXTENSION OF A SPECIAL USE PERMIT, PROVIDING AN EFFECTIVE DATE.

WHEREAS, an application for a renewal and extension of a Special Use Permit was duly filed with the Growth Services Department and considered by the Marion County Planning and Zoning Commission at its meeting on June 29, 2020; and

WHEREAS, the aforementioned application was considered at a public hearing held by the Board of County Commissioners of Marion County, Florida at its meeting on Tuesday, July 21, 2020. Now therefore,

BE IT RESOLVED by the Board of County Commissioners of Marion County, Florida:

SECTION 1. SPECIAL USE PERMIT APPLICATION APPROVAL 200601SU Vikings, LLC. The application requesting a renewal and extension of Special Use Permit 50602SU (15-R-186), Articles 2 and 4 of the Marion County Land Development Code as submitted by Chuck A. Pigeon, Pigeon-Roberts & Associates, LLC, Ocala, FL, a copy of said application being on file with the Marion County Growth Services Director, is hereby approved for the on-going use of the temporary golf pro-shop and the related pro-shop facilities at Juliette Falls in a PUD (Planned Unit Development) zone, on Parcel Account Nos. 34546-122-00, 34546-123-00 and 34546-127-00, 2.17 Acres.

SECTION 2. FINDINGS AND CONDITIONS. The Board of County Commissioners agrees with the recommendation and findings of the Planning and Zoning Commission recommending approval of the Special Use Permit and the Board approves the Special Use Permit subject to the following conditions:

1. The site has been developed and operated with the original concept plan submitted for 20070606SU, 100709SU and 150602SU and conditions as provided in previous special use permits approved have been implemented.
2. The ingress/egress shall be limited to existing driveways off NW 70th Street. Driveways have permitted and maintain paved aprons consistent with Land Development Code requirements.
3. No change in operations or services provided are proposed.

4. A new Special Use Permit will be required for any future expansion of the approved use.
5. The established buffering shall be maintained.
6. The Special Use Permit shall expire 6/16/2025. The owner may submit a new Special Use Permit application for consideration to renew and extend this permit in the future.

SECTION 3. REVOCATION. Violation or failure to comply with one or more condition(s) of this Special Use Permit shall be grounds for revocation of this Special Use Permit by the Board at a noticed public hearing.

SECTION 4. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

DULY ADOPTED in regular session this 21st day of July, 2020.
