Important Project Notes

NOTE: If Customer's data from CAD, ePCR, RMS (or other system(s)) is to be provided to FirstWatch via another Vendors Hosted Environment, fees payable to that Vendor (not reflected/included in this project quote) may be required. FirstWatch recommends that the Customer learn about options and costs associated with their Hosted Vendors approach & process - as fees will likely be required by Vendor to establish data feed/connection into FirstWatch.

If customer plans to switch Vendor for CAD, ePCR or RMS (other data system) from existing data interface feeding into FirstWatch, in addition to the Data Source Interface fee of \$7,500, additional work & fees will be required to convert specialized system enhancement modules such as FirstPass, OCU as well as Complex Triggers & Customized Reports, all of which can be Price upon Request (in advance). Also; when Customer selects a new Vendor (for CAD, ePCR or RMS (other data system)), FirstWatch highly recommends a minimum of 90-day advanced notice so as to provide quote for work required, as well as to allow FirstWatch enough lead time to plan conversion work prior to new system cut-over. Additional Details about Proposed Project and Data Source Interfaces and Changes are outlined on Page 2. All Fees Quoted are in US Dollars (USD).

Thank you for the opportunity to present this quote.
