September 12, 1989

Mr. Howard Neal appeared and stated he would agree to zoning change to B-2 for the property rather than B-4. Mr. Arnold Dyess, resident of Green Turf Acres, who is within 300 feet of the property, stated he is not opposed to the change, but stated there is a need for paving road if property is going to be used for antique business. Mr. May advised that State DOT would regulate where driveways will be cut on SR 200 and need for accel/decel lanes. Mr. Neal also discussed possible use of side road off SR 200 for access that is presently a dirt road.

Upon motion of Commissioner Fiorello, seconded by Commissioner Townley, the Board accepted the recommendation of the Planning Commission to approve B-2 zoning on a vote of 4-1, with Commissioner Cross voting nay.
