Sec.6.3.1.D(3)(a)(2)(a)(b)(c) –

Provide the joinder and consent as a separate instrument joining in and ratifying the plat and all dedications thereon, in accordance with § 177.081 FS, as follows:

a. The final plat and the separate instrument(s) shall be recorded within the Marion County Public Records concurrently and include coordinated references between the documents as provided in following Section 6.3.1.D(3)(a)2.b and c.

b. The following statement shall be placed on the final plat: "A separate instrument(s) serving as joinder and consent for a mortgagee or other party of interest to the Plat depicted hereon has been separately filed and recorded in the Marion County Public Records Official Record Book (enter number), pages (enter number) to (enter number)," as assigned by the Clerk of the Court's Office.

c. The separate instrument shall utilize the same general form as provided in Section 6.3.1.D(3)(a)1(a) above and shall include the final plat's official name as listed on the final plat and include a blank entry reference for the Marion County Public Records Plat Book and Page(s) as assigned by the Clerk of the Court's Office.

Sec.6.3.1.F. - The following supporting documentation shall also be provided as appropriate:

Sec.6.3.1.F(1) - A copy of the documents demonstrating the establishment of a corresponding MSBU, CDD, or other State recognized special district responsible for the maintenance and operation of the dedicated improvements. If the MSBU option is selected by the developer, it shall be established to provide maintenance and upkeep for, at minimum, roads and drainage infrastructure. Other improvements, such as, but not limited to, street lighting or recreation, can be added to the MSBU if desired by the development.

Sec.6.3.1(F)(2) - For a subdivision with privately dedicated improvements, a copy of the completed and filed documents demonstrating the private entity is properly established, operating, and eligible to be responsible for the improvements so dedicated to the association. In the case of an entity previously created and encompassing the proposed subdivision, documents demonstrating the continued establishment of the entity and its acceptance of responsibility for the improvements to be conveyed shall be required; Sec.6.3.1(F)(3) - A copy of the final protective covenants and deed restrictions, where such covenants and restrictions are required or established by the applicant, in a form to be recorded and cross-referenced to the submitted Final Plat. In the case where covenants and restrictions are previously recorded and applicable to a proposed subdivision, a copy of the effective covenants and deed restrictions shall also be provided;

Sec.6.3.1(F)(4)(a)(b)(c)- A certificate of title demonstrating the following:

a. The lands as described and shown on the plat are in the name of, and apparent record title is held by, the person, persons, or organizations executing the dedication;

b. That all taxes have been paid on said property as required by § 197.192 FS, as amended; and

c. The official record book and page number of all mortgages, liens, or other encumbrances against the land, and the names of all persons holding an interest in such mortgage, lien or encumbrance.

The title certification shall be an opinion of a Florida attorney-at-law or the certification of an abstract or title insurance company licensed to do business in Florida. The County reserves the right to require that the title certification be brought current at the time of Final Plat approval.

Sec.6.3.1.F(5) - When required in conjunction with an Improvement or Maintenance Agreement, an itemized cost estimate prepared and certified by the developer's engineer including the cost of construction of all required improvements in the following form:

"CERTIFICATE OF COST ESTIMATE

I, _____, A Florida registered engineer, License No. _____, do hereby certify to Marion County that a cost estimate has been prepared under my responsible direction for those improvements itemized in this exhibit and that the total cost estimate for said improvements is \$ _____. This estimate has been prepared, in part, to induce approval by the County of a Final Plat for the _____ Subdivision, and for the purpose of establishing proper surety amounts associated therewith.
