

MARION COUNTY

SHERIFF'S OFFICE

December 10, 2025

Growth Services  
2710 E Silver Springs Blvd  
Ocala, FL 34470

To Whom It May Concern,

The Oak Shores development will potentially bring in 422 new residents. The Marion County Sheriff's Office could absorb the calls created by those residents alone, but if there is other development in the area, additional staffing would be necessary to cover those needs.

Sincerely,

WILLIAM WOODS, SHERIFF
