

LDC CODE UPDATE	
DATE:	January 27, 2025
LDC SECTION:	Section 4.2.30 Government Use (G-U) Classification
COMP PLAN REFERENCE:	N/A
DISCUSSION:	
<p>Background</p> <p>Section 4.2.30 of the Land Development Code outlines uses permitted and permissible by Special Use Permit within the Government Use (G-U) zoning category. Currently, the G-U zoning category does not provide for any uses as permissible by right and all uses must obtain a Special Use Permit. The text changes identify uses that are recommended to be permitted by right within the G-U zoning category, based on the premise that the proposed allowable uses are generally not impactful to surrounding properties, and that they are allowed by right in other zoning categories.</p> <p>Changes to the LDC Section</p> <p>Changes to the text of Section 4.2.30 Government Use (G-U) address the following issues.</p> <ol style="list-style-type: none"> 1. Add a Permitted Use subsection to the G-U zoning category and revise letter subsection sequencing accordingly. 2. Move the following list of uses from the Special Uses (requiring permit) subsection to the newly created Permitted Use subsection of the G-U zoning category: <ol style="list-style-type: none"> a. Fire Station b. Library c. Park and Recreation Areas up to ten acres d. Post Office e. Schools f. Sheriff's Substation g. Government Owned Auditorium up to 250 seats 3. Add the use "Government Administrative Use such as office buildings and similar uses" to the newly created Permitted Uses subsection. 4. Following adoption of these changes, the allowable uses for G-U in the zoning tables will need to be updated. <p>Attachments: Redline LDC Changes to Section 4.2.30 Government Use (G-U) Classification</p>	

Sec. 4.2.30. Government Use (G-U) classification.

A. Intent of Classification. The Governmental Use classification is intended to apply to those areas where the only activities conducted are those of the U. S.
