There will be curb ramp improvements at the beginning of the project, the relocation of curb and gutter, the removal and replacement of guardrail, and the installation of a pedestrian/bicycle bullet railing. The installation of the variable width sidewalk will have a 4-inch thickness. Additional improvements will include a midblock crosswalk Rectangular Rapid Flashing Beacons (RRFBs) with a complete sign assembly, 36-inch traffic railing installed on the bridge, the installation of a gravity wall, and a pipe rail for the guardrail.

The Recipient shall contact the FDOT D5-Construction Special Projects Office via email at D5-ConstructionSpecialProjects@dot.state.fl.us to schedule the joint on site review/final walk-thru. The joint on site review/final walk-thru should not be considered an approval of the work by the Department nor a substitution for the Recipient's obligation to ensure that all work and deliverables comply with the SFGA terms and conditions.

The initial invoice, progress report and other supporting documentation will be submitted within 180 days of the Department's Notice to Proceed and no more often than monthly and no less than quarterly thereafter. Required documents should be submitted via email to D5-LocalPrograms@dot.state.fl.us.

The Recipient shall commence the project's activities subsequent to the execution of this Agreement and shall perform in accordance with the following schedule:

- a) Construction contract to be let (Bid Opening) by July 30, 2025.
- b) Construction Duration of 111 days.
- c) Construction to be completed (Final Acceptance) by February 15, 2026.

If this schedule cannot be met, the Recipient will notify the Department in writing with a revised schedule or the project is subject to the withdrawal of funding.

SPECIAL CONSIDERATIONS BY DEPARTMENT:

Invoice payments will be made on a pro-rata basis as a percentage of the state funding amount compared to the actual award amount. In the event the Project costs exceed the cost included in Exhibit "B", Schedule of Financial Assistance, the Recipient will be solely responsible for providing the additional funds that are necessary to complete the Project.

The project funding may be reduced to an amount equal to the award amount and/or the actual contract costs.
