Description of Request

Attached for your review and approval is one (1) contract amendment to the state-funded agreement. The 9-1-1 Management is being reimbursed by the state for the first-year expenses associated with the implementation of the Next Generation Core Services software (Emergency Voice and Text Call Routing Services), which was approved by the Board on 8/20/24. The State of Florida Department of Management Services State-Funded Agreement was approved by Legal under LRM 2024-843 and by the Board on 10/15/24. This amendment modifies the original state-funded agreement, with limited explanation from the state as to why the amendment is required. It appears to involve a restructuring of the agreement, with several sections having language changed or replaced entirely. Upon review and approval, please return the approved LRM and documents to Procurement to prepare for the 1/21/25 agenda. Thank you, Jodi
