Description of Request

Attached for review and approval is a Short Water Line Project Resolution which defines the Project Area, total bid cost through contract 22P-146, and establishment of all served lots' Capital Connection Fee (aka Pro Rata Share aka Construction Share). The Resolution is a result of the initiating parcel's requirement to meet Code, and is subject to County's review and option to expand the project area for benefit to MCU's public water system, and replaces Reso 23-R-122 which required revised calculations after a parcel split from the original Benefiting Lot layout. BLs changed from 15 to 16; BL share costs reduced from \$4,971.97 to \$4,661.22. After Legal approval, please return to Utilities; it will be presented at the next possible Board meeting.
