Extent of zone change requested:

I am requesting a zone change from R4 to R1 for the purpose of building a guest house.

### Written Findings of Fact

- 1.) Ingress and egress: This is currently a one-story garage that will be converted into two-stories with the top floor being a guest apartment. You will be able to enter/exit onto the balcony, which leads to the stairs and ground level. Windows will be of the minimum required size or larger to allow for escape during a fire or natural disaster. There will be two windows leading to the balcony as well as the front door. A rope ladder can be available if required.  
The property is .53 acres, and the building is a detached garage that sits at the back of the property. The property is on a corner and so the garage is next to the side road and very easily accessible. There is ample room for firetrucks or other personnel if ever needed.  
There will be a parking spot to the north of the building and a sidewalk leading from the parking spot to the stairwell.
- 2.) A parking space will be located north of the building for convenience. My father parked his truck in this location for over 40 years. He recently passed. Parking in this space will in no way hinder the surrounding area or properties. The standards of the neighborhood are also low as the neighborhood consists of dirt roads and is run-down. There are houses with caved in roofs that need to be condemned and roads that are nearly impassable from trees growing into the streets.
- 3.) Garbage will be disposed of at the curbside with the rest of the household refuse as usual. There will not be a new location as the current location is equidistant from the main house and the location of the garage. I cannot smell my neighbor's garbage from where my garbage sits at the curb and vice versa.  
My garage is adjacent to my closest neighbor's garage, which will insulate noise transfer. My neighbor across the side street plays very loud music at night that shakes my bedroom walls. I am a respectable law-abiding citizen that appreciates the rule of law and am not a burden. In fact, I commonly clean up the neighborhood by picking up multiple 32 gallon bags worth of garbage and mowing common areas that the county has abandoned.
- 4.) Water is from the well located on the north side of the property and will be on the same meter as existing. The electric pole is also on the north side of the property. Electricity will be run underground to the guest house and may or may not be separate from the existing house, depending on the cost involved to add a separate meter.
- 5.) A fence or shrubs can be installed for privacy from the neighbor if required. There is currently a chain link fence between the properties and a hedge. There is no

## Attachment A

dissimilar use at adjacent properties. They are both single family residential homes. Most of the neighboring properties are already zoned R1.

- 6.) Exterior lighting would face my existing house, not the neighbors house. There are no windows in the main house that face where this guest house would be located above the garage, so glare would not be an issue for anyone. The neighbor across the street has a utility pole light that does shine into two of our main house bedrooms at night. We installed black out curtains.

There is no traffic safety issue. The economic effects of this project would only benefit neighbors by bringing up property values. Again, this is a run-down neighborhood. Two of my next-door neighbors have been my neighbors for over 40 years; this building will not hinder the harmony with surrounding properties.

- 7.) I do not see that any provisions for general compatibility with adjacent properties are needed. Every house is a different style. Neighbors are from quite different socio-economic classes. I am open to hearing and complying with any provisions that zoning may suggest or require.
- 8.) Provisions will be made for any special requirements found on site analysis.

### 1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$126,000.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is Nations Lending Corporation, a Corporation.

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

### 2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 4.875 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

### 3. PAYMENTS

#### (A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on May 1, 2018.

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on April 1, 2048, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 4 Summit Park Drive, Suite 200  
Independence, OH 44131

or at a different place if required by the Note Holder.

#### (B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$661.51.

### 4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

### 5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

### 6. BORROWER'S FAILURE TO PAY AS REQUIRED

#### (A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

#### (B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

#### (C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

#### (D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

## (E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

## 7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

## 8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

## 9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

## 10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

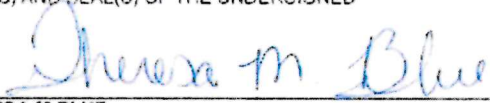

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

## 11. DOCUMENTARY TAX

The state documentary tax due on this Note has been paid on the mortgage securing this indebtedness.
