Greetings! I was able to meet with Mark Williams earlier in the month and he showed me an available passenger van that we think will serve our purposes very well, indeed. Van ID is VN-16. Mark had advised that we should send an email to the commissioners to request this vehicle be donated to our organization (Quality of Life Rehab & Foster Inc). I will attach a photo of the drivers side door, should that help in identifying the vehicle.

I have cc Mark Williams and Stacey Medina in this email in the event that I have left out anything pertinent to my request. I am so deeply grateful to all of you for your time and consideration of our request and your ongoing support of our important work in the community.

Sincerely,
Aspen Olmstead
