RE: SELP Bailie Arena public Address changes to North Arena

Rev 4

Hello Delia,

Further to the meeting and follow up email we have broken up some follow up pricing for additional works in the North Arena as requested.

NORTH ARENA

Quote 2: Relocating PA headend and adding AV point

Product guide: (location 1 for Mixer /Av point)

1. Mixer – M82210AM wall plate (Qty 1)
2. Wall mounted Equipment Rack (Qty 1)

Scope of works: Extend cables from the current PA head end location to the new nominated PA head end location in the food and beverage area and wall mount the equipment on the wall next to server system. Install an AV point about 20 feet from the new head end location on the wall of the food and beverage area as shown in pictures

TOTAL **\$13,950.00**

NOTES:

1. We have assumed power and data connectivity is available at the new head end location and no new power and data is needing to be installed.
