## Additional Information About This Loan

## Loan Disclosures

## Assumption

If you sell or transfer this property to another person, your lender

will allow, under certain conditions, this person to assume this loan on the original terms.

does not have a demand feature.

## Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 4% of the monthly principal and interest payment.

## Negative Amortization (Increase in Loan Amount)

## Under your loan terms, you

Increases in your loan amount lower the equity you have in this property.

may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

do not have a negative amortization feature.

## Partial Payments

## Your lender

3170 SW 126th Lane Rd  
Ocala, FL 34473-7930

## Escrow Account

## For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

## Escrow

Escrowed Property Costs over Year 1	\$3,324.48	Estimated total amount over year 1 for your escrowed property costs: <i>Homeowners Insurance</i> <i>Property Taxes</i> <i>Mortgage Insurance</i>

Escrow Waiver Fee	\$0.00	

## In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
