Dear Mr. Hahn:

On behalf of the Marion County Board of County Commissioners, I am pleased to offer you the position of Growth Services Director. Your annual salary is proposed to be \$110,000, dependent on approval from the Board of County Commissioners, with a start date to be determined.

All employment offers are conditional pending the result of potential employees successfully passing a post-offer medical screening at the Marion County Employee Health Clinic, a criminal background check, a driver's license check and a minimum of two employment reference checks. In addition, all executive employment offers, such as yours, are conditional pending confirmation by the Board of County Commissioners. Your employment offer will be presented for approval at the regularly scheduled Board Meeting on May 17, 2022. Your presence is required at this meeting.

Upon clearing the post-offer testing, a representative from Human Resources will contact you to set up an appointment for your new hire processing and for you to attend orientation.

Your position serves at the sole discretion of the County Administrator as defined in section 10.06 of the Marion County Board of County Commissioners' Employee Handbook. Therefore, as defined in Section 14.08 of the Marion County Board of County Commissioners' Employee Handbook your position requires you to reside in Marion County within one (1) year of assuming the position.
