Re: Special Use Permit (Written findings of facts)
Azalia Skilled Nursing and Memory Care Facility
Parcel 35695-019-03
Corner of State Road 200 and S.W. 93rd St Road, Ocala, FL

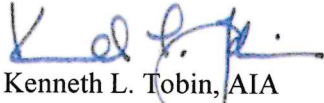

In support of our Special Use Permit Application and as required by the application checklist, please find the Written Findings of Facts along with the Conceptual Site plan which reiterates the findings.

- 1) Ingress and Egress: Access to the facility will be off State Road 200, with a right-in right out entrance and exit. Pedestrian circulation is provided by sidewalks and pavers delineating crosswalks. Please see the Concept Plan for specifics.
- 2) Off-Street Parking and loading Areas: Parking shall be provided that meets the requirements of the Land Development Code. The residents, staff, and service vehicles will have full access around the facility, with no dead ends or turn-arounds. Parking is provided along State Road 200 for visitors, residents will have parking on the south side of the building, and staff will have access to parking on the east side of the building. Loading and services access to the building is located along the east side of the building. Emergency vehicles have access around the building. Please see the Concept Plan for specifics.
- 3) Refuse and Service Areas: Service to the facility will occur on the east side of the facility and includes a loading and delivery area and refuse collection which is enclosed to prevent visual intrusion. Please see the Concept Plan for specifics.
- 4) Utilities: Utilities for the facility have been identified and shown on the Site Plan Application. Specifically, Electric will be provided by SECO, Water and Sewer will be provided by Marion County, Irrigation is anticipated to be well-water. In addition, in accordance with AHCA and State Statutes, the facility will be supported by the mandatory electrical generator in case of an emergency.
- 5) Screening and Buffering: Screening and Buffering will meet the requirements of the County and are shown on the conceptual site plan.
- 6) Signage: The operator of the facility anticipates two signs meeting the Land Development Code. One sign will be at the entry of the site along State Road 200, while the other will be outside the main entrance in front of the porte-cochere. Please see site plan for locations.

- 7) Yards and Greenspace: Open space, yards, and greenspace are shown on the Concept plan.
- 8) Compatibility with surrounding area: The site is currently zoned B-2 with a small business located to the south of the proposed site shown as B-4. The property to the east is zoned A-3, with low density residential housing. The South portion of the area is zoned as PUD. This project is a one-story building and will have a residential feel to the façade.
- 9) The project team is open and willing to meet any special requirements required by the site analysis for this use as required by the special use permit.

Thank you,
