 DENOTES PROJECT LIMITS
PROJECT LOCATION
(NOT TO SCALE)
PLAT BOOK:F Page: 116
SECTION:14 TOWNSHIP: 17 RANGE: 22
MARION COUNTY, FLORIDA

Notice is hereby given that the Marion County Board of County Commissioners will conduct a public hearing to consider creation of the Belleview Heights Estates, Unit 8, SE 44th Ave Improvement Area, as shown above, and imposition of special assessments for the construction of road improvements. The hearing will be held at **10:00**

am or ⁶as soon thereafter as the matter can be heard, on **Tuesday, May 19, 2026**, in the McPherson Governmental Campus Auditorium, 601 S.E. 25th Avenue, Ocala, Florida, for the purpose of receiving public comment on the proposed improvement area and assessments.

All affected property owners have the right to appear at the hearing and file written objections with the Board of County Commissioners any time prior to the public hearing. All persons are advised that, if they decide to appeal a decision of the Board of County Commissioners of Marion County, Florida at this public hearing they will need a record of the proceedings and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

If reasonable accommodation of a disability is needed for you to participate in this meeting, please contact the ADA Coordinator/HR Director at (352) 438-2345 at least forty-eight (48) hours in advance of the hearing, so appropriate arrangements can be made.

The assessment for each parcel of real property will be based on (1) with respect to residential property, the total number of potential dwelling units, platted lots or parcels of record on the date the assessment is imposed, and (2) with respect to non-residential property, the total number of potential vehicle trips based upon the current or expected use of the property, in each case expressed in parcel units. A more specific description of the improvements and the method of computing the assessment for each parcel of real property are set forth in the Initial Assessment Resolution adopted by the Board of County Commissioners on Tuesday, April 21, 2026. Copies of the Initial Assessment Resolution and the preliminary Assessment Roll are available for inspection at the Office of the County's Assessment Coordinator, located at 2710 E. Silver Springs Blvd., Ocala, Florida, (352) 438-2650.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property which may result in a loss of title. The Board of County Commissions intends to collect the assessments in fifteen (15) annual installments, the first of which will be included on the ad valorem tax bill to be mailed in November 2026.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF SPECIAL ASSESSMENTS IN THE BELLEVIEW HEIGHTS ESTATES UNIT 8 SE 44TH AVE IMPROVEMENT AREA AS REFERRED IN RESOLUTION 26-R-106

Dear Property Owner:

The Board of County Commissioners is considering creation of the Belleview Heights Estates Unit 8 SE 44th Ave Improvement Area for the construction of road improvements. The cost of the road improvements will be funded by assessments against real property within the improvement area. The assessment for each parcel of real property is platted lots or parcels of record as of the date the assessment is imposed. A more specific description of the assessment program is included in the Initial Assessment Resolution (Resolution 26-R-106) adopted by the Board of County Commissioners on April 21, 2026. Copies of the Initial Assessment Resolution and the preliminary Assessment Roll are available for your review at the office of the Municipal Services located at 2710 E. Silver Springs Boulevard, Ocala, Florida. Information regarding the assessment for your specific property, including the total number of platted lots or parcels of record is attached to this letter.

The County intends to obtain a loan to finance this and other assessment projects. This will permit the cost attributable to your real property to be amortized over a period of 15 years. However, you may choose to prepay your assessment in full (\$«Prepay» per parcel unit to cover your share of the capital cost) and avoid the additional financing cost. Please do not send payment now. If the assessments are imposed, you will receive separate notice of the date and place for payment.

If you do not choose to prepay during the period described in the next notice, the amount necessary to pay your assessment in full will be increased by your share of the financing cost (loan issuance costs, capitalized interest, and reserve account, if any).

The maximum annual assessment is estimated to be \$ «Max_Annual» per parcel unit, which shall be collected annually and includes your share of principal, interest and amounts related to the collection of the assessments. However, the actual annual assessment cannot be determined until the loan is obtained, and the assessment may be lower.

The total estimated amount to be collected per parcel unit over 15 years, assuming no prepayment, is \$20,385.63 and the County plans to collect a total estimated amount of \$224,241.97 (inclusive of all collection costs) for this project from all parcels in the Belleview Heights Estates Unit 8 SE 44th Ave Improvement Area. The County intends to include annual assessments on your ad valorem tax bill with the first payment on the bill to be mailed in November 2026. Failure to pay your assessments will cause a tax certificate to be issued against the real property which may result in a loss of title.

The Board of County Commissioners will hold a public hearing at 10:00 A.M., or as soon thereafter as the matter can be heard, on May 19, 2026, in the McPherson Governmental Campus Auditorium, 601 SE 25th Avenue, Ocala, Florida, for the purpose of receiving comments on the proposed improvement area and the assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the public hearing and to file written objections with the Board of County Commissioners any time prior to the public hearing.

If you decide to appeal any decision made by the Board of County Commissioners with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

If reasonable accommodations of a disability are needed for you to participate in this meeting, please contact the ADA Coordinator/HR Director at (352) 438-2345 at least forty-eight (48) hours in advance of the hearing, so appropriate arrangements can be made.

Questions regarding your assessment and the process for collection may be directed to the Municipal Services Department at 352-438-2650.

Sincerely,

Chad Wicker, Director
Marion County Municipal Services
