Environmental Services/Janitorial Sciences

We provide occupational training with a certificate of completion. Our professional team members work hands-on with inmates in the Environmental Services/Janitorial Sciences vocational training that equips inmates with practical skills for employment in custodial roles.

Culinary Arts & Bakery Programs

Culinary Arts

Bakery

Custom Garment Making

Poultry and Egg Production

The design is to help inmates understanding concepts for proper care of a healthy flock.

Row Crop Education

- Agricultural education provides inmates with skills relevant to farming.
- Also, we are teaching inmates workable science concerning bovine and swine.

A man in a dark police uniform with a star on the chest is speaking to a group of inmates. The inmates are wearing orange and white striped shirts and are sitting on a metal bench. The setting is a large, open-plan room with a counter and computer monitors in the background. A person in a striped uniform is standing near a door on the right. The text "URGING INMATES TO VISIT THE RE-ENTRY BUILDING" is overlaid in white, bold, sans-serif font across the center of the image.

URGING INMATES TO VISIT
THE RE-ENTRY BUILDING

Marion County Jail Re-Entry Services

Marion County Jail Re-entry programs are provided to assist the inmates in learning to deal with their problems and to help prepare them for integration back into society as a productive citizen.
