Fax: 352-438-2324

Grantee Name: Marion County BOCC

Agreement Number: G0122

Florida Commerce Agreement Manager: Brittany Fitzgerald

Quarterly Reporting Period: July 1 – September 30, 2024

Submittal Date: October 31, 2024

Summary of Project Progress:

Note: The quarterly report shall include a summary of project progress, indicating percentage of completion of each task identified in Section 4 and the current status of the return of investment identified in Section 2.c.. The summary should also include any issues or events occurring which affect the ability of Grantee to meet the terms of this Agreement.

Deliverable 1- Design and Engineering

- **Task-** The project is in the design and permitting phase. Currently, all surveying/mapping and geotechnical tasks have been completed at 100%. Environmental analysis and reporting tasks have been completed to 75%. The consultant has delivered 30% complete roll plots of the roadway portion of the project, and has the utility layout portion at 30% complete also. The permitting tasks have not begun as of October 1, 2024.
- **Current expended amount of deliverable:** \$88,995.00
- **Is there any obstacle(s) occurring that is causing a slowdown of the progress of this deliverable?** (Please note if so) There are no obstacles causing a slowdown for this deliverable.

Deliverable 2- Construction

- **Task-** provide detailed information on where you are with completion of task and the percentage of completion of task.
- **Current expended amount of deliverable:** \$0.00
- **Is there any obstacle(s) occurring that is causing a slowdown of the progress of this deliverable?** (Please note if so)

If construction has been 100% complete, have you submitted the Notice of Completion and Engineer's Certification of Compliance that is in your agreement (Exhibit E)?

Return on Investment:

Name of Company or Code Name	Potential or Committed or Confirmed	Address	FEIN	Total New Jobs	Total Retained Jobs	Capital Investment
N/A
