Future Land Use Element Policy 10.5.1: Golden Ocala

[Editor Note: Prior Policy 10.5.1 is deleted in its entirety, being replaced and superseded by this “new” policy.]

This concerns the following Future Land Use Map Amendments - (a) Future Land Use Map (FLUM) Amendment 2016-L04; (b) Future Land Use Map (FLUM) Amendments 2017-L02 and 2017-D05; (c) FLUM Amendment 2020-D01 and FLUM Amendment 2020-L02; (d) FLUM Amendment 2024-____ and FLUM Amendment 2024-____ concerning approximately 4,276.21 acres (the “Project” or “Golden Ocala”). The land use and development potential of the Project is hereby limited and governed by the following conditions:

2. Golden Ocala is a mixed-use development composed of single family, multi-family (includes condominiums), commercial, hotel, recreation, RV units, equestrian facilities, sports facilities, and other uses to support the horse community, the Golden Ocala project and the community in general.

A land use tradeoff mechanism will also be included within the County's PUD approval for this Project, and will apply to the entire Project boundary. The land use conversion table will allow for a land use to exceed the Project entitlements above as long as another land use is reduced through the conversion matrix to ensure there is no increase in development impacts. The conversion table will also allow for conversion of the uses identified

above through local approval and thus, without the requirement for a comprehensive plan amendment.

The portion of the Project that was the subject of FLUM Amendments 2016-L04 and 2017-D05 is subject to the provisions of a Development Agreement Concerning Concurrency, Impact Fee Credits And Other Matters for Golden Ocala as recorded in OR Book 8791, Page 105, public records of Marion County, Florida (the "2018 Concurrency Agreement").
