Amanda Tart, Assistant County Administrator
Marion County Board of County Commissioners
601 SE 25th Avenue
Ocala, FL 34471

Ms. Tart,,

Thank you for the opportunity to submit a bid for partnership work with Marion County. On behalf of Wear Gloves, Inc., a non-profit organization dedicated to supporting individuals through dignified work rather than dependency, we are pleased to offer our services at a rate of \$17 per hour for all work requested by the county.

Wear Gloves has built a solid reputation with the City of Ocala, and we are honored that Marion County is interested in collaborating with us to expand this impactful work. As part of our dignity-based model, we provide our clients with meaningful opportunities to develop skills, gain experience, and foster self-reliance as they work toward sustainable independence.

In order to meet the county's requirements effectively, we respectfully request that Marion County provides all necessary equipment for each job. Additionally, we request the donation of a four-passenger truck to facilitate safe and efficient transportation for our teams during these jobs.

We believe that this partnership will not only provide valuable services for Marion County but also create a pathway for positive change and growth for our clients. We look forward to the opportunity to bring our commitment to dignity and community impact to this partnership.

Thank you for considering this proposal. Please feel free to contact us with any questions or for further discussion.

Warm regards,

Wendy Kebrdle
Executive Director
