Letter Requesting Zoning Change for Residential Property

Dear Elizabeth Madeloni

I am writing to formally request a change in zoning for my property located at 8748 NE Jacksonville Road, Anthony, Florida 32617. The current zoning classification is B2 Zoning Classification for commercial use, and I am seeking to rezone it to RR-1 Zoning Classification rural residential 1 to better align with the evolving needs of our community and my development plans.

The proposed zoning change is intended to facilitate the construction of primary residence. I have conducted thorough research and consulted with zoning experts to ensure that the proposed change complies with local zoning regulations and aligns with the community's development goals. Enclosed with this letter, you will find:

- A detailed description of the property and its current zoning classification.
- The proposed new zoning classification and the rationale behind the request.
- A site plan illustrating the intended use of the land.

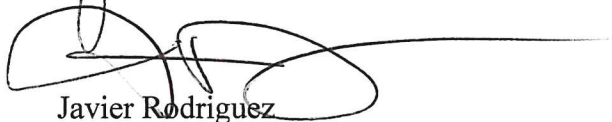

I respectfully request that you consider this application and schedule a public hearing to allow community members to provide their input. I am prepared to attend the hearing and present my case, as well as engage with the community to gather support for the proposal.

Thank you for your time and consideration. I look forward to working with you to achieve a favorable outcome for this zoning change request.

Sincerely,

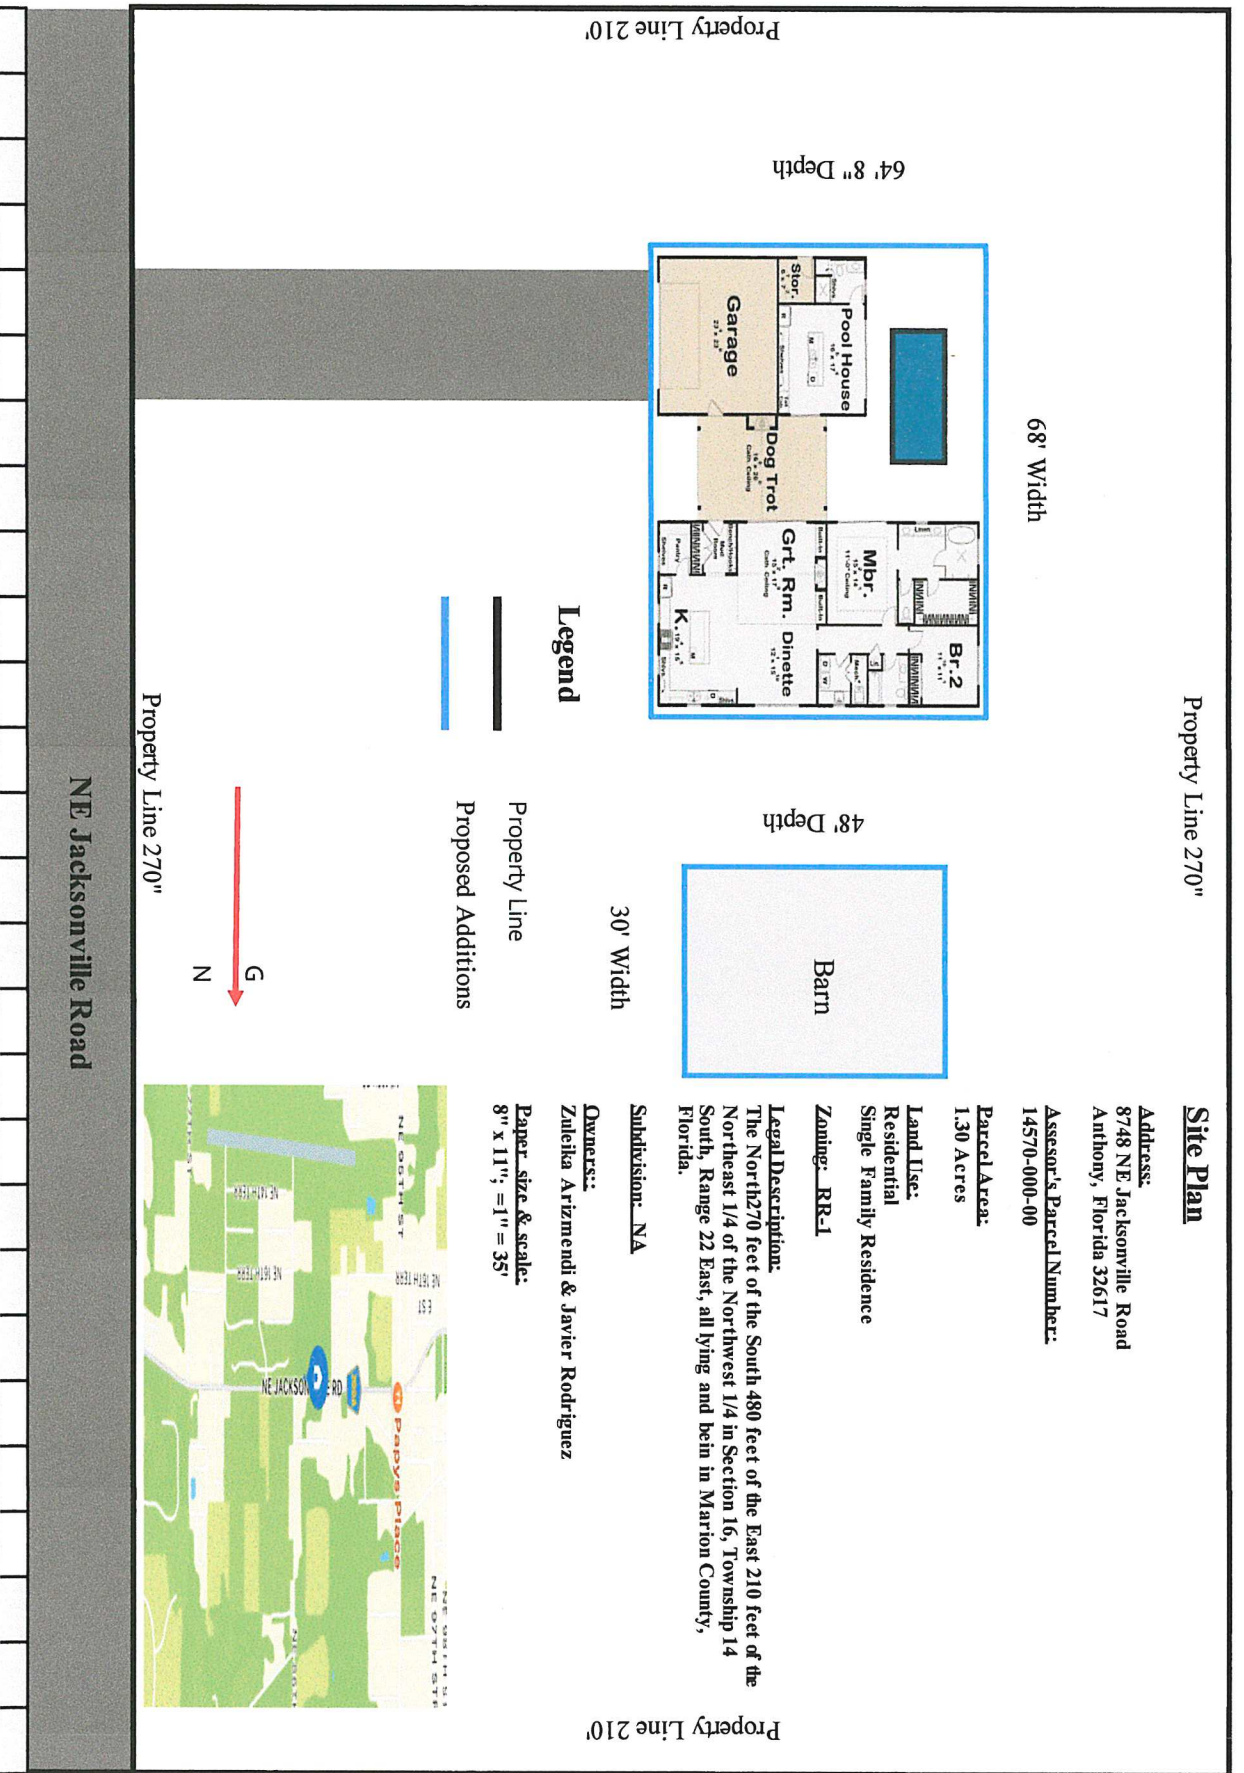

Zuleika Arizmendi
