This item was previously on February 10, 2025, DRC agenda. The applicant withdrew their request but would like to be reheard.

**LDC 2.21.1.A(1) - Major Site Plan**

CODE states A Major Site Plan shall be submitted for review and approval prior to the issuance of a Building Permit or prior to the construction of site improvements when proposed improvements exceed any of the following thresholds: (1) Collectively, all existing and proposed impervious ground coverage equals or exceeds 35 percent of the gross site area or 9,000 square feet.

APPLICANT Requests waiver of Major Site Plan. Stormwater Control Plan to be provided for existing improvements exceeding allowable impervious area.

- 6.2. Sunshine Love On Place - Final Plat - Waiver Request to a Plan in Review**  
**2710 SE 45th Ave Ocala**  
**Project #2007050035 #32980 Parcel #21629-001-01**  
**Michael W. Radcliffe Engineering**

**LDC 6.12.1 2 - Sidewalks**

CODE states At the discretion of the Development Review Committee, in lieu of construction along external streets, the developer may pay a sidewalk fee to the County in an amount necessary to complete construction. This amount shall be determined by the project engineer and approved by the County with payment required prior to final plan approval. The County may use these funds toward the construction of sidewalks throughout the County based on priorities established by the Board.

APPLICANT - Request Sidewalk and Fee In Lieu Of be waived for this 2-lot plat for an existing church and single residential lot. The sidewalk is on the east side of NW 60th Ave. No sidewalks are on the west side. Church is donating the residential lot to a Non-Profit and cost of sidewalk is exorbitant for this use.

- 6.3. Orange Blossom Replat #2 - Preliminary Plat - Waiver to a Plan in Review**  
**Orange Blossom Replat #2**  
**Project #2025050014 #32813 Parcel #48288-000-00**  
**Clymer Farner Barley, Inc**

**LDC 6.12.12.D - Sidewalks**

CODE states D. At the discretion of the Development Review Committee, in lieu of construction along external streets, the developer may pay a sidewalk fee to the County in an amount necessary to complete construction. This amount shall be determined by the project engineer and approved by the County with payment required prior to final plan approval. The County may use these funds toward the construction of sidewalks throughout the County based on priorities established by the Board.

APPLICANT request - Per previous discussion with Marion County, it is our understanding that they would support a fee in lieu of waiver for sidewalks considering none of the roadways in the Orange Blossom Hills subdivision have sidewalks, and we are trying to ensure our design fits in with what currently exists around it.

- 6.4. His House For Her - Waiver to a Major Site Plan**  
**1469 Pine Rd Ocala**  
**Project #2025040018 #32698 Parcel #9009-0000-05**  
**Clymer Farner Barley, Inc**

**LDC 6.12.12 - Sidewalks**

CODE states A. Sidewalks shall be provided in the Urban Area, Rural Activity Centers, and Specialized Commerce Districts along arterial, collector, and major local streets where these streets adjoin the project and minimally along one side of the internal streets. Sidewalks shall be constructed with all-weather surfaces and shall meet Americans with Disabilities Act, Florida Building Code, and FDOT Design Standards. B. Sidewalks outside the right-of-way and independent of the street system are encouraged as an alternative to sidewalks parallel to a roadway, provided equivalent pedestrian needs are met. C. The sidewalk system shall provide connectivity between existing and proposed developments. D. At the discretion of the Development Review Committee, in lieu of construction along external streets, the developer may pay a sidewalk fee to the County in an amount necessary to complete construction. This amount shall be determined by the project engineer and approved by the County with payment required prior to final plan approval. The County may use these funds toward the construction of sidewalks throughout the County based on priorities established by the Board.

APPLICANT requests considering that there is no sidewalk infrastructure along this side of Pine Road, but an existing sidewalk across the street, we believe that an isolated segment at this location would not contribute to a meaningful pedestrian network at this time. We would also like to request a waiver to the construction of the sidewalks, and to the fee-in-lieu of construction. His House for Her is a non-profit organization serving women in the community, and the construction budget is limited.

- 6.5. Marion Oaks Townhomes - Waiver Request to a Major Site Plan**  
**Marion Oaks Townhomes**  
**Project #2024110024 #32203 Parcel #8004-0433-19**

This amount shall be determined by the project engineer and approved by the County with payment required prior to final plan approval. The County may use these funds toward the construction of sidewalks throughout the County based on priorities established by the Board.
