RE: Submittal of Fawn Lake PUD application

Mr. Varadin,

Our office is submitting a PUD application for 329 detached single family residential homes. At the direction of your office, we are submitting a waiver to request a "step down" in land use on a portion of this project from High Residential to Medium Residential. The purpose of this waiver request is to lower the minimum density requirements of this project as allowed in policy 2.1.2. of the Comprehensive Plan. Enclosed are the following items:

- Executed Rezoning application to PUD
- Deed as proof of ownership
- Sunbiz Detail
- MCPA card for parcel 9027-0000-02
- Approval letter for Traffic Methodology
- Plan Set (including concept plan)
- Waiver application packet submittal (copy submitted to DRC)

I believe this meets the minimum requirements to submit the PUD application for consideration. We reserve the opportunity to provide additional documentation as needed or requested. Should your office need further information, please contact our office.

Sincerely,

Tillman and Associates Engineering, LLC
