The Association shall have the right, but not the duty, to provide such maintenance to vacant Lots, after ten (10) days notice to the Owner of a vacant lot to perform such maintenance and failure by the Owner to perform said maintenance. Any and all costs incurred by the Association in performing maintenance under this Section shall be paid by the Owner, failing which the same shall constitute a Special Assessment against the Owner and shall in every request constitute a lien on the Lot or Dwelling Unit as would any other

assessment by the Association.

Section 2.10 Storage. Section 2.12 Leases. All leases of a Dwelling Unit shall be restricted to residential use. All leases shall be in writing and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any provisions of this Declaration. Each lease shall contain the following provision;

"The lessee hereby acknowledges that this lease is subject to the Declaration of Covenants and Restrictions for GEMINI FARMS that lessee has read the same and agrees to be bound thereby, and that failure to comply with the same may result in certain remedies being applicable to lessee including, without limitation, termination of this lease without further notice, and personal liability of lessee and lessor for damages, including reasonable attorney fees."

In the event the foregoing language is not contained in any such lease, then the foregoing language is hereby incorporated therein by reference. In the event a lessee or a lessee's invitee, guest or licensee of a Dwelling Unit occupies the same without a written lease, the occupancy thereof shall constitute an acceptance of this Declaration and agreement to be bound thereby subject thereto. No lease shall be for a term of less than three (3) months. The Declaration shall have the right to collect attorneys fees against any occupant or tenant and the Owner of the Dwelling Unit in the event that legal proceedings must be instituted against such occupant or tenant for his eviction or for enforcement of the Declaration. The Declarant is exempt from the provisions of this section.

Section 2.13 Utilities. The Declarant, its successors and assigns, and the Association expressly reserves the right to grant easements for the creation, construction and maintenance of utilities such as water, sewer, gas, telephone, electric and cable television. Such easements shall be located within twenty (20) feet of all front Lot property lines and within twenty (20) feet of the rear and side boundary lines of Lots and such additional area necessary to provide service to each individual property owner.

Section 2.14 Driveway Maintenance. Each Owner shall be responsible for the maintenance of

the driveways serving his or her Lot in good condition so that they do not become unsightly or cause damage to the Private Road, swales, ditches, or Common Areas.

ARTICLE 5.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 5.1 Creation of the Lien and Personal Obligation for Assessments. Each owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, to pay Assessments to the Association, such Assessments to be established and collected as hereinafter provided. The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the Assessment fell due. So long as Declarant owns two (2) Lots, Declarant's two (2) Lots, all Assessments, except for consensual assessments under Paragraph 5.5, are waived.

Section 5.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to pay Common Expenses, promote the recreation, health, safety and welfare of the residents in the Property, and for the improvement and maintenance of the Common Areas and any other portions of the Property for which the Association is responsible pursuant hereto.

Section 5.4 Fixing Common Assessment. The Board of Directors of the Association shall be authorized to assess the Members in such amount as they shall determine necessary:

5.4.1 To maintain, repair, improve, reconstruct and replace the Common Areas, including the Gate, and perform other maintenance, repairs, or services authorized or permitted by the Declaration; and

5.4.2 To provide for the maintenance of improvements, including, but not limited to irrigation systems and landscaping lying within the Private Road; and

The Common Assessment, determined and allocated as set forth above, shall be fixed at times, and may be payable in installments, as the Board may approve.

Section 5.5 Capital Improvement Assessment. In addition to the Common Assessment authorized above, the Association may levy Lot(s), in any assessment year, a Capital Improvement Assessment applicable to that year for the purpose of defraying in whole or in part the cost of any construction of a capital improvement upon the Common Areas. Any such Assessment shall have the assent of a majority of the votes of the membership who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5.6 Reconstruction Assessment. The Association may levy, in any assessment year a Reconstruction Assessment applicable to that year for the purpose of defraying in whole or in part the cost of any reconstruction, repair, or replacement of a capital improvement upon the Common Areas.

Section 5.7 Special Assessment. The Association may levy, in any assessment year, a Special Assessment against any individual Owner, and against that Owner's Lot, equal to the cost incurred by the Association in connection with the enforcement of this Declaration against such Owner or such Owner's failure to duly perform its obligations hereunder. Any such Special Assessment shall be adopted by a majority of the votes of the Board of Directors at a meeting of the Board of Directors to levy a Special Assessment against an Owner shall be in addition to the authority to assess fines pursuant to Section 7.3 below.

Section 5.8 Uniform Rate of Assessment. The Common Assessment and any Reconstruction Assessment and Capital Improvement Assessment, must be fixed at a uniform rate for all Lots, and may be collected on a monthly, semi-annual, quarterly or annual basis as determined by the Board of Directors.

Except for the Declarant, the Assessments provided in this Article shall commence as to all Lots on the first day of the second month next following the recording of the Declaration. The first Common Assessment shall be adjusted according to the number of months remaining in the calendar year. Written notice of the Common Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certification of the Association as to the status of Assessments on a Lot is binding upon the Association as to third parties as of the date of its Issuance.

ARTICE 6.

COLLECTION OF ASSESSMENTS

Section 6.1 Monetary Defaults and Collection of Assessments.

6.1.1 Late Fee and Interest. If any Assessment is not paid within ten (10) days after the due date, the Association shall have the right to charge the defaulting Owner a late fee of ten percent (10%) of the amount of the Assessment, or ten (10) dollars, whichever is greater, plus interest at the highest rate of interest allowable by law from the due date until paid. If there is no due date applicable to any particular Assessment then the Assessment shall be due ten (10) days after written demand by the Association.

6.1.2 Acceleration of Assessments. If any Owner is in default in the payment of any Assessment owed to the Association for more than thirty (30) days after written and by the Association, the Association upon written notice to the defaulting Owner shall have the right to accelerate and require such defaulting Owner to pay to the Association Assessments for the next

twelve (12) month period, based upon the then existing amount and frequency of assessments. In the event of such acceleration, the defaulting Owner shall continue to be liable for any increases in the Common Assessments, for all Special Assessments, and for all other Assessments payable to Association.

6.1.3 Lien for Assessments. The Association has a lien on each Lot for unpaid Assessments owed to the Association by the Owner of such Lot, and for late fees and interest, and for reasonable attorneys' fees incurred by the Association incident to the collection of the Assessments or enforcement of the lien, and all sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances in order to preserve and protect the Association's Lien. The lien is effective from and after recording a lien in the public records in the County, stating the legal description of the Lot, the name of the record Owner, and the amount due of the recording of the claim of lien. A recorded claim of lien shall secure all sums set forth in the claim of lien, together with all Assessments or other monies owed to the Association by the Owner until the lien is satisfied. The lien is in effect until all sums secured by it have been fully paid or until the lien is barred by law. The claim of lien must be signed and acknowledged by an officer or agent of the Association. Upon payment in full of all sums secured by the lien, the person making the payment is entitled to a satisfaction of the lien.

6.1.4 Collection and Foreclosure. The Association may bring an action in its name to foreclose a lien for Assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgement for the unpaid Assessments without waving any claim of lien. The applicable Owner shall be liable to the Association for all costs and expenses incurred by the Association in connection with the collection of any unpaid Assessments, and the filing, enforcement, or foreclosure of the Association's lien, including reasonable attorneys' fees and all sums paid by the Association for taxes and on account of any other mortgage, lien, or encumbrance in order to preserve and protect the Association's lien. The Board is authorized to settle and compromise the Association's lien if the Board deems a settlement or compromise to be in the best interest of the Association.

6.1.5 Subordination of Lien. The lien of the Association for Assessments or other monies shall be subordinate and inferior to the lien of any first mortgage or record held by an institutional lender. An institutional lender shall refer to any bank, bank holding company, trust company, or subsidiary thereof, savings and loans association, savings bank, federal national mortgage association, insurance company, union pension fund, mortgage company, an agency of the United States government or the Declarant. Any person who obtains title to a Lot pursuant to the foreclosure of a first mortgage of record held by an institutional lender, or any Mortgagee who accepts a deed to a Lot in lieu of foreclosure of the first mortgage of record held by an institutional lender shall not be liable for any assessments or for other monies owed to the Association which are chargeable to the former Owner of the Lot and which became due prior to acquisition of title as a result of the foreclosure or deed in lieu thereof, unless payment of such funds is secured by a claim of lien recorded prior to the recording of the foreclosed or underlying mortgage. The unpaid Assessments or other monies are Common Expenses collectable from all the Owners, including such acquirer and his successors and assigns. The new Owner, from end

after the time of acquiring such title, shall be liable for payment of all future Assessments as may be assessed to the Owner's Lot. Any person who acquires a Lot, except through foreclosure of a first mortgage of record or acquiring title by sale, gift, devise, operation of law or by purchase at a judicial or tax sale, shall be liable for all unpaid Assessments and other monies due and owing by the former Owner to the Association; provided, however, that this obligation shall not be applicable to loans insured by the Federal Housing Administration or guaranteed by the Veterans Administration, if the applicable statutes, rules or regulations of the FHA or VA prohibit such liability.

6.1.6 Unpaid Assessment Certificate. Within fifteen (15) days after written request by any Owner or any Mortgage holding or making a mortgage encumbering any Lot, the Association shall provide the Owner or Mortgagee a written certificate as to whether or not the Owner of the Lot is in default with respect to payment of Assessments or with respect to compliance with the terms and provisions of this Declaration, and any person or entity who relies on such certificate in purchasing or making a mortgage loan encumbering any Lot shall be protected thereby.

6.1.7 Application of Payments. Any payments made to the Association by any Owner shall first be applied towards any sums advanced and paid by the Association for taxes, liens or encumbrances which may have been advanced by the Association in order to preserve and protect its lien; next toward reasonable attorneys' fees incurred by the Association incidental to the collection of Assessments and other monies owed to the Association by the Owner or for the enforcement of its lien; next towards interest on any Assessments or other monies due to the Association in the inverse order that such Assessments were due.

Section 6.2 Non-Monetary Default. In the event of a violation by any Owner or any tenant of an Owner, or any person residing with them, or their employees, guest, invitees, (other than the non-payment of any Assessment or other monies) of any of the provisions of this Declaration, the Articles, the Bylaws or the rules and regulations of the Association, the Association shall notify the Owner and any tenant of the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within fourteen (14) days after such written notice, or if the violation is not capable of being cured within such fourteen (14) day period, if the Owner or tenant fails to commence and diligently proceed to cure completely such violation as soon as practicable within fourteen (14) days after written notice by the Association, or if any similar violation is thereafter repeated, the Association may, at its option take any one or all of the following actions:

6.2.1 Impose a fine against the Owner or tenant as provided herein;

6.2.2 Commence an action to enforce the performance on the part of the Owner or tenant, or for such equitable relief as may be necessary under the circumstances, including injunctive relief;

6.2.3 Commence an action to recover damages;

6.2.4 Restrict the Owner, its tenants and Permitted Users, from access to, and use of

the Common Areas (excepting only those portions of the Common Areas necessary to access said defaulting Owner's Lot);

6.2.5 Take any and all actions reasonably necessary to correct such failure, which action may include, where applicable, but it not limited to, removing any addition, alteration, improvement, or performing any maintenance required to be performed by this Declaration.

All expenses incurred by the Association in connection with the correction of any failure, plus a service charge of ten percent (10%) of such expenses, and all expenses incurred by the Association in connection with any legal proceedings to enforce this Declaration, including reasonable attorneys' fees, shall be assessed against the applicable Owner as a Special Assessment and shall be due upon written demand by the Association. The Association shall have a lien for any such Special Assessment and any interest costs or expenses associated therewith, including attorneys' fees incurred in connection with such Special Assessment, and the Association may take such action to collect such Special Assessment or foreclose such lien as is the case and in the manner of any other Assessment as provided above. Any such lien shall only be effective from and after the recording of a claim of lien in the Public Records of the County.

Section 6.3 Fines. The amount of any fine shall be determined by the Board, and shall not exceed any maximum amount established by the Florida Statutes, if any. For continuing violations, each day the violation is in existence may be considered a separate violation. In such event, the fine may be levied on the basis of each day of the continuing violation, with a single notice and opportunity for hearing. Unless provided for in the Florida Statutes there shall be no cap on the aggregate amount of any fine for a continuing violation. Any fine shall imposed by written notice to the Owner or tenant signed by an officer of the Association, which shall state the amount of the fine, the violation for which the fine is imposed, and shall specifically state that the Owner or tenant has the right to contest the fine by delivering written notice to the Association within fourteen (14) days after receipt of the notice imposing the fine. If the Owner or tenant timely and properly objects to the fine, the Board shall appoint a committee of at least three (3) Members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or the sister of the officer, director or employee of the Association, to conduct a hearing within thirty (30) days after receipt of the Owner's or tenant's objection, and shall give the Owner or tenant not less than fourteen (14) days after written notice of the imposition of the fine, or if a hearing is timely requested within fourteen (14) days after written notice of the committee's decision. Any fine levied against an Owner shall be deemed a Special Assessment, and if not paid when due all of the provisions of this Declaration relating to the late payment of Assessments shall be applicable. If any fine is levied against a tenant and is not paid within fourteen (14) days after same is due, the Association shall have the right to evict the tenant pursuant to Section 7.6 of this Article.

Section 6.4 Responsibility of an Owner for Occupants, Tenants, Guests and Invitees. Each Owner shall be responsible for the acts and omissions, whether negligent or willful, of any person residing in his Dwelling Unit, and for all employees, guests, and invitees of the Owner or any such resident, and in the event the acts or omissions of any of the foregoing shall result in

any damage to the Common Areas, or any liability to the Association, the Owner shall be assessed for same as in the case of any other Assessment, limited where applicable to the extent that the expense or liability is not met by the proceeds of insurance carried by the Association. Furthermore, any violation of any of the provisions of this Declaration, of the Articles, or the Bylaws by any resident of any Dwelling Unit or any guest or invitee of an owner or of any resident of a Dwelling Unit shall also be deemed a violation by the Owner, and shall subject the Owner to the same liability as if such violation was that of the Owner.

Section 6.5 Right of Association to Evict Tenants, Occupants, Guests and Invitees. With respect to any tenant or any person present in any Dwelling Unit or any portion of the Property, other than an Owner and the members of his immediate family permanently residing with him in the Dwelling Unit if such person shall materially violate any provision of this Declaration, the Articles or the Bylaws, or shall create a nuisance or an unreasonable and continuous source of annoyance to the residents of the Property, or shall willfully damage or destroy any Common Areas or personal property of the Association, then upon written notice by the Association such person shall be required to immediately leave the Property and if such person does not do so, the offending party and the Association shall be deemed to be a Landlord/Tenant relationship and the Association is authorized to commence an action to evict such tenant or compel the person to leave the Property and, where necessary, to enjoin such person from returning. The expense of any such action, including attorneys' fees, may be assessed against the applicable Owner as a Special Assessment, and the Association may collect such Special Assessment and have a lien for same as elsewhere provided. The foregoing, shall be in addition to any other remedy of the Association.

Section 6.6 No Waiver. The failure of the Association to enforce any right, provision, or covenant or condition which may be granted by this Declaration, the Articles or the Bylaws, shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant, or condition in the future.

Section 6.7 Rights Cumulative. All rights, remedies and privileges granted to the Association pursuant to any terms, provisions, covenants, or conditions of this Declaration, the Articles or the Bylaws, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the Association thus exercising the same from executing such additional remedies, rights or privileges as maybe granted or as it might have by law.

Section 6.8 Enforcement By or Against other Persons. In addition to the foregoing, this Declaration may be enforced by Declarant, an Owner or the Association, by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contains herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration. In addition to the foregoing, any owner shall have the right to bring an action to enforce this Declaration against

any person violating or attempting to violate any provision herein, to restrain such violation or to require compliance with the provisions contained herein, but no Owner shall be entitled to recover damages or to enforce any lien created herein as a result of a violation or failure to comply with the provisions contained herein by any person, and the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees.

ARTICLE 7.

COVENANTS AGAINST PARTITION AND SEPARATE TRANSFER OF MEMBERSHIP RIGHTS

Recognizing that the full use and enjoyment of any Lot is dependent upon the right to the use and enjoyment of the Common Areas and the improvements made thereto, and that it is in the interest of all the Owners that the right to the use and enjoyment of the Common Areas be retained by the Owners of Lots, it is therefore declared that the right to the use and enjoyment of any Owner in the Common Areas shall remain undivided, and such Owners shall have no right at law or equity to seek partition or severance of such right to the use and enjoyment of the Common Areas and/or Lot. In addition, there shall exist no right to transfer the right to the use and enjoyment of the Common Areas.

ARTICLE 8.

AMENDMENTS TO DECLARATION

This Declaration may be amended only by the affirmative written consent of five (5) Owners and such written amendment shall be recorded in the Public Records of Marion County, Florida to become effective.

ARTICLE 9.
