Notice of Publication

Notice of meeting published online on June 20, 2024 in accordance with Florida Sunshine laws.

Minutes Adoption

A motion to approve the 01/23/24 PSCC Meeting Minutes was made by Vice Chair Judge Landt, seconded by Maj. Clint Bowen.

With no further discussion and no objections, the motion passed unanimously.

Member Discussion Items

- SMA Criminal Justice/Substance Abuse Planning Grant Application:

Robin Lanier from SMA Healthcare told the council that the grant application was submitted and awaiting determination on whether or not they will receive the grant.

- PSCC Re-entry Subcommittee:

Maj. Bowen said that the subcommittee determined it will be a benefit to show the PSCC the current jail re-entry programs. Mr. Judge Cochran from MCSO did a presentation on the current re-entry programs available to Marion County inmate population, at 1822 inmates to date. A copy of the presentation will be included with the minutes.

An open discussion ensued on various topics discussed during Mr. Cochran's presentation on subjects like the use of specific medications to treat substance abuse disorders; additional vocational training certifications; average of veteran's incarcerated; selection guidelines for referral to problem-solving courts; inmate work-related items like the percentage of inmates working outside the jail and their classification depending upon charges. The type legal assistance provided was also discussed and deemed to be strictly as access to resources (i.e. forms) and inmates self-research and not legal advice.

Drug Court referral delays were addressed by Alina Stoothoff, Senior Court Operations Consultant for Treatment Courts. Further conversations to occur to determine the cause of delays in processing of referrals.

Additional information will be requested for future meetings to discuss the type of jobs inmates can hold depending on their charges, as well as the potential for the issuance of vocational construction work certificates and personal development opportunities, including more information on anger management programs.

- Jail Population:

Illegal detainees' numbers and daily cost discussed along with potential to request Federal reimbursement for costs of housing them. Current jail population is at 1822 nearing full capacity of 1924.

Average daily population and Total number of inmates booked monthly graphs provided by MCSO were addressed, these numbers will be updated at each quarterly meeting.

Good afternoon,

I hope this message finds you well. Please know that one of the topics on the PSCC agenda for the 4/15/24 meeting is the status of SMA's DCF planning grant application.

You are welcome to provide a verbal update during that segment of the meeting, but if there will be a presentation or any files to share with the group, please send me those in advance to allow for advanced preparation.

Happy almost Friday!

Regards,

Gennifer Medina
