RE: REPORT No. PC2023-03: MSTU East Lake Woodmar SE 143rd Street and Portion of SE 145th Avenue Road Improvements Petition Count

The MSTU Department mailed petitions to 44 property owners of East Lake Woodmar SE 143rd Street and Portion of SE 145th Avenue. Internal Audit confirmed the timely responses of 35 property owners. We concluded that **a majority** of the timely responding property owners voted **in favor** of the road assessment project.

Results for the East Lake Woodmar SE 143rd Street and Portion of SE 145th Avenue Road Improvements Petition Count

"Yes" indicated "Yes, I approve of the proposed Road Improvements Project"

"No" indicated "No, I do not approve of the proposed Road Improvements Project"

"Invalid" indicated petition response could not be included for the following reasons:

- One response did not include a yes or no vote.
- One property owner had their names listed in different orders and received two petitions. We considered them as duplicates and invalidated one of their responses.

Per BCC Policy No. 20-01, the Internal Audit Department completed the tabulation process to "measure the initial support for the proposed project." We maintained security and confidentiality of the petitions received until the time of opening on August 14, 2023.

The tabulation process was performed by Sachiko Horikawa and Nayla Gonzalez.
