I don't agree with these horses being there don't think they should be there they bring flies you can smell the poop and it is a residential area across the street is on agriculture you have to have 10 acres or more I don't think the church is going to benefit from these horses thank you Nancy Hough

No I do not want the horses and the neighborhood they are a nuisance because they draw flies and leave big piles of poop it smells they don't clean them and they're not very well maintain or fed Thank you Toby Johnson
