Gents,

Thank you in advance for meeting and discussing with us on those 4 projects. We contacted our client and he agreed to table the Coventry PUD application to coincide with the Picadilly PUD application. I believe that would be on 8/25 PZ hearing. Please be so kind as to verify that is the correct date. Furthermore, we will be drafting a narrative to address the concerns that you spoke about as well as emphasizing the points that demonstrate approval should be encouraged. Please provide a bullet point list of items that your office would like to see be addressed in the narrative. We will see that you have this well before the newly scheduled PZ meeting.

Please contact this office should you need further assistance.
