Detailed Description/Scope of Work - Grant Information (if applicable)

This task order is required to provide independent verification testing services for the County during construction of the NW 80th Ave Segment 3 roadway project from 900 feet north of W HWY 40 to 600 feet south of N US HWY 27. While the Contractor will perform the required quality control testing through its own testing consultant, the County will retain an independent testing consultant to perform verification testing as needed to confirm that materials and construction activities comply with the project plans, specifications, and applicable standards.

Additional Information/County Admin Notes for Agenda

This project is part of the 2026/27 TIP as C24, NW 80th/70th Ave - Segment 3.
