Jeff Gold, Chairman of the Board

Marion County Board of County Commissioners

Mounir Bouyounes, County Administrator

Sir's,

The Town of McIntosh has not yet received any funding at this time from the American Rescue Plan.

With the second wave of Covid19 being in the headlines daily, we are trying to prepare for the future. We were forced to communicate during the pandemic with smartphones and conference call using old technology.

The Town Council is wanting to prepare for the worst but also have the technology and hardware for the future. We are asking for help to purchase 7 iPads for meetings, communication plus reducing paper and printing. The purchase would be \$3000.00

We will be able to provide our 5 Council members, Mayor, and Town Manager with access to all files thru the cloud, and enhanced video conferencing.

During an emergency or quarantine, we would be able to manage and protect our Town.

Thank you for consideration,

Councilman Frank Ciotti
