RE: Ordinance 25-06

The 2013 Legislature passed legislation that changed the manner by which County Ordinances were to be filed with the Florida Department of State and the manner in which the Department would acknowledge that filing. "An Act relating to paper reduction", Chapter 2013-192, amended Section 125.66, Florida Statutes, to require the Clerks of the Board of County Commissioners to file Ordinances and Amendments, as well as Emergency Ordinances, by e-mail to the Department. In turn, the Department would acknowledge receipt of such documents by return e-mail.

Attached, please find e-mail correspondence from the Clerk's Office to the Department and their acknowledgement related to the above Ordinance(s).
