**RE: Dunnellon Oaks Roadway Improvements**

Dear Mr. Hodges,

We have reviewed the construction as-builts, examined the field testing results, and conducted a final inspection of the project site. Based on our review and inspection, we hereby certify that the project has been completed in accordance with the approved design and the field modifications coordinated with MSTU during construction. Accordingly, the project is approved to proceed into the one-year warranty period.

Sincerely,

Jeffrey M. McPherson, P.E.
