Chief Banta,

The City Of Williston is seeking your support/assistance with a Marion county surplus vehicle. Currently we are unable to access any buildings above two stories and in the event of a large commercial fire have no elevated hose streams.

We are asking for a ladder truck to be donated if possible. The truck we are requesting is the 1998 E-One 110 Ft ladder truck. MCFR property # 32169

Any Help would be greatly appreciated

Sincerely,

Lamar Stegall
