Marion County Board of County Commissioners Application for Appointment to Advisory Board

Experience/Qualifications

Present/Previous employment relating to this advisory board:

I have not previously been employed in any public service positions.

Present/Previous volunteer experience relating to this advisory board:

I participated in the Stetson University Model Senate during my time in college, and I was required to commit numerous "Cultural credits" at events and meetings throughout my time in school. I had to fulfill community service in college, and I put in dozens of hours of volunteer work helping with my band program during high school.

Special Qualifications

I have a bachelor of arts degree in Political science from Stetson University which I received in May of 2023 in addition to my high school diploma. During my degree program I learned about domestic politics, the structure of local and national government, and learned how to use the STATA program for regression analysis.

How much time do you have monthly to prepare for and attend board meetings?

I can attend meetings at any time within a reasonable notice, as my current job is flexible when it comes to giving me hours/days off if needed.

List all county and city boards (Marion County or elsewhere) on which you have previously served (include dates of service).
