

ADDENDUM TO 25B-162 Irish Acres to Silver Springs Water Main Interconnect (Ph1)
August 21, 2025 @ 3:15 PM

TO: Participating Bidders

RE: Addendum No.

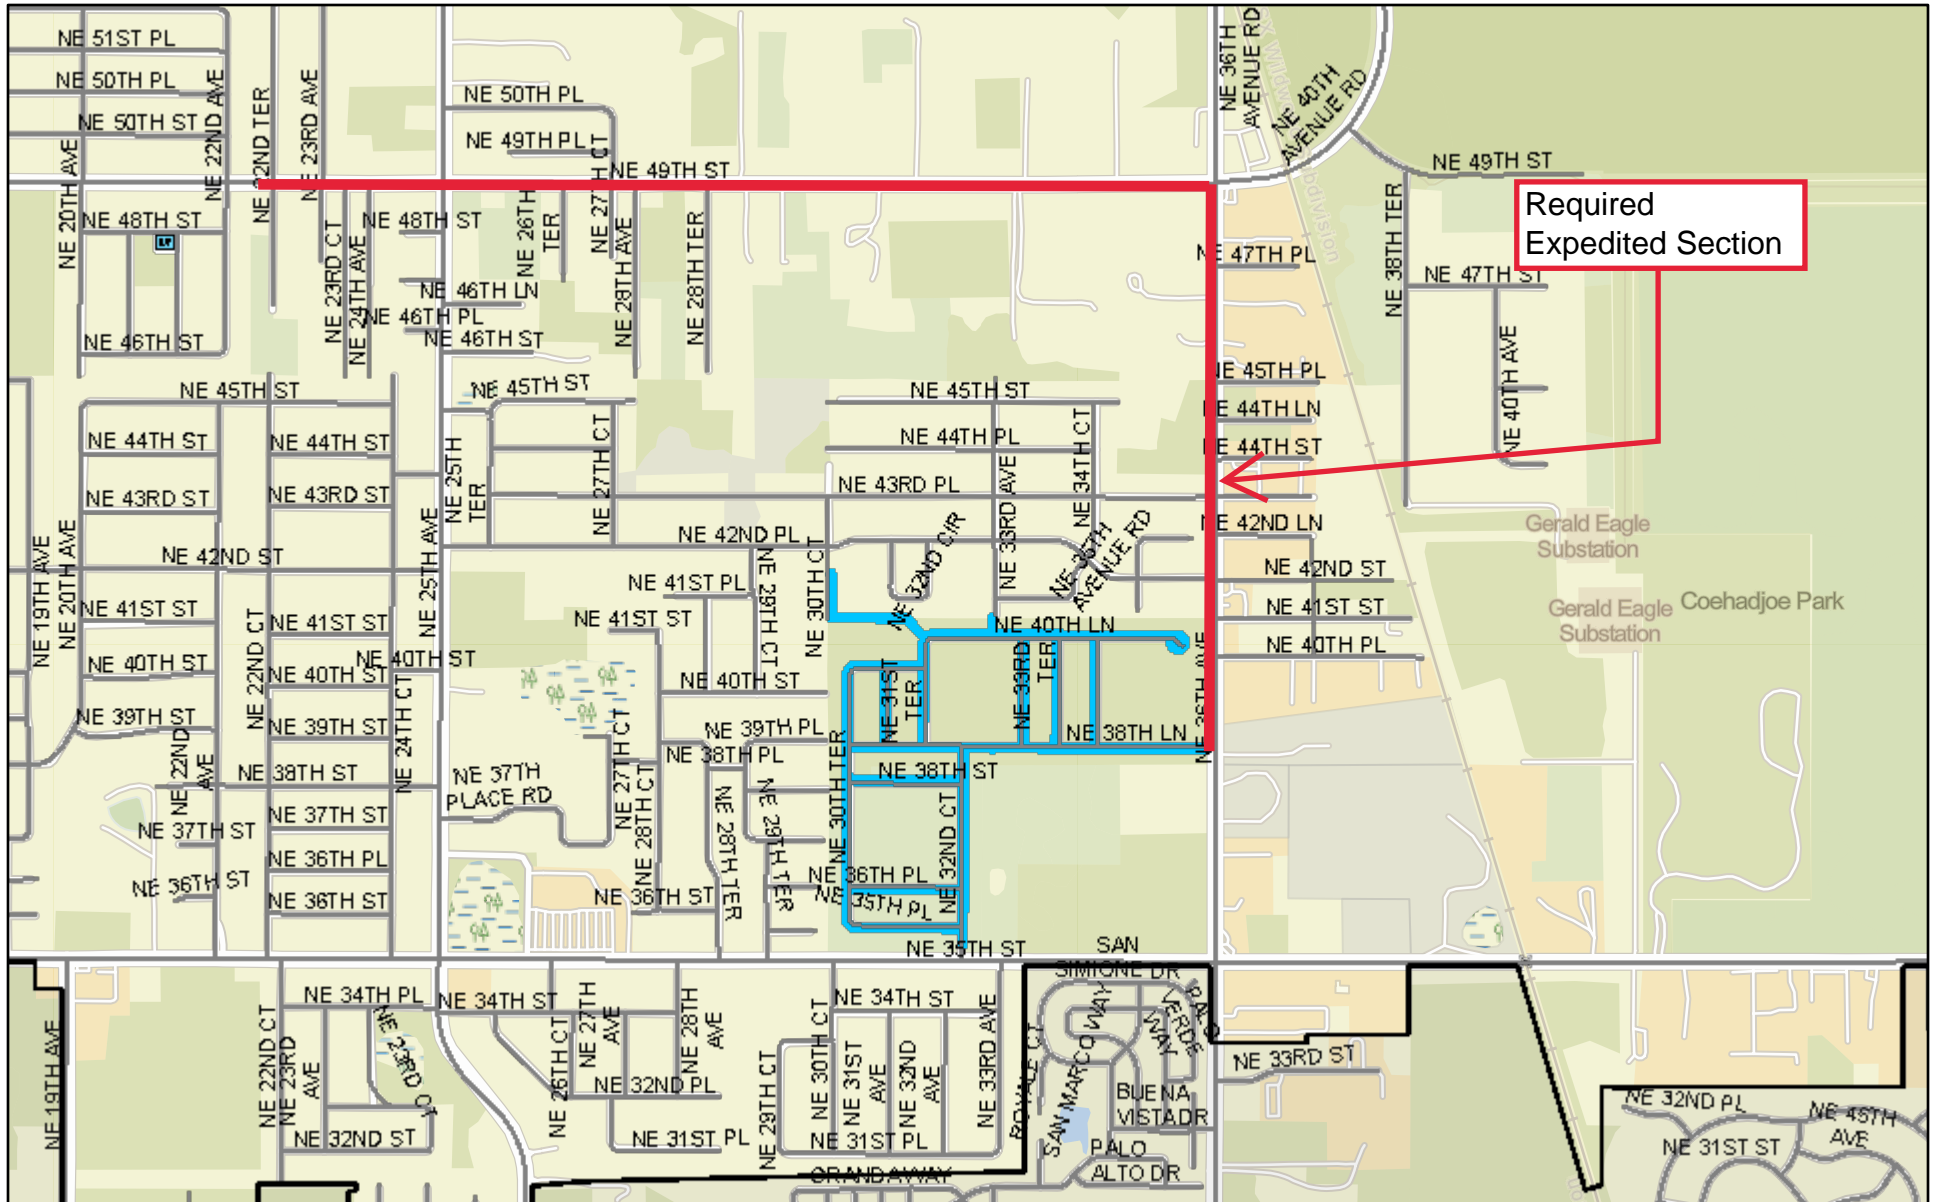

25B-162 Irish Acres to Silver Springs Water Main Interconnect (Ph1)

Please make note of the following changes, additions, deletions and clarifications to the above-mentioned solicitation:

Per the attached map, Marion County Utilities (MCU) requires the indicated portion of water main be the first portion constructed, tested, cleared, and connected to provide service to the Millwood Estates Subdivision. This portion of work will need to be in service within 90 days of Notice to Proceed (NTP) and will be subject to liquidated damages if not. This will not required additional time for the overall project.

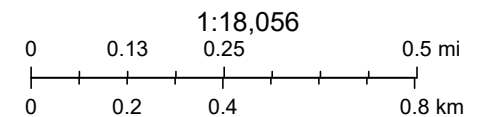

By signing the Proposer Requirements/Acknowledgements Form, Bidders are acknowledging receipt of this addendum. Failure to acknowledge receipt of this addendum may be cause for rejection.
