  - a) CONTRACTOR certifies and assures COUNTY that CONTRACTOR is currently in full compliance with Section 448.095, Florida Statutes and it is registered and uses the E-Verify System to verify work authorization status of all newly hired employees and will continue to do so throughout the Term. This certification and assurance is a material term on which COUNTY relies in entering into the Agreement.

CONTRACTOR agrees that upon such an order, CONTRACTOR shall immediately terminate the Contracting Party. CONTRACTOR agrees that if it should fail to comply with such an order, COUNTY shall immediately terminate CONTRACTOR.
  - g) If COUNTY terminates the Agreement with CONTRACTOR, CONTRACTOR may not be awarded a public contract for a least one (1) year after the date of termination.
  - h) CONTRACTOR is liable for any additional costs incurred by COUNTY as a result of a termination under this Section.
  - i) Any such termination under this Section is not a breach of the Agreement and may not be considered as such.
  - j) CONTRACTOR shall maintain records of its registration, use, and compliance with the provisions of the E-Verify system, including the registration and use by its subcontractors, and to make such records available to COUNTY or other authorized governmental entity.
  - k) To comply with the terms of this Employment Eligibility Verification provision is made an express condition of the Agreement and COUNTY may treat a failure to comply as a material breach of the Agreement.

**Section 21 – Force Majeure.** Neither CONTRACTOR nor COUNTY shall be considered to be in default in the performance of its obligations under this Agreement, except obligations to make payments with respect to amounts already accrued, to the extent that performance of any such obligations is prevented or delayed by any cause, existing or future, which is beyond the reasonable control and not a result of the fault or negligence of, the affected Party (a "Force Majeure Event"). If a Party is prevented or delayed in the performance of any such obligations by a Force

Majeure Event, such Party shall immediately provide notice to the other Party of the circumstances preventing or delaying performance and the expected duration thereof. The Party so affected by a Force Majeure Event shall endeavor, to the extent reasonable, to remove the obstacles which prevent performance and shall resume performance of its obligations as soon as reasonably practicable. Any such electronic counterpart shall be of sufficient quality to be legible either electronically or when printed as hardcopy. COUNTY shall determine legibility and acceptability for public record purposes. This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.
