Re: 2208072 Sun Golf , LLC
David Black Rezoning Modification

Mr Rison,

I respectfully refer you to my letter of January 10, 2024 regarding the above re-zoning modification.

After careful review and receipt of additional information, I am rescinding my letter. The Stonecrest POA will not provide a landscape buffer on the Association common property, adjacent to Mr. Black's lots. The letter of January 10th, contradicts the amendment, which provides that Sun Golf and its successors in title would bear the burden of development of the subject property, including all expenses related thereto. The Board feels conveyance of the buffer would require a change to the Supplemental Declaration, which can only be accomplished with a community vote.

The most critical portion of this decision is with the Declaration of Covenants for the Meadows which indicates in short that Sun Golf.....shall be solely responsible for all costs associated with the Development... If approved, the Association will consider golf cart pathway options.

I have spoken to legal counsel on this issue and he is in full agreement. Mr. Riison, please place this letter with the modified zoning application.

Sincerely,

Niana Hill
