Special Use Permit Application **Document Completeness Checklist – 2026**

READ INSTRUCTIONS AND CHECKLIST ENTIRELY

The County will not review a Special Use Permit application unless the Applicant provides a signed and complete application, application fee payment, and all other required materials. All required materials and payment must be included with the application at the time of submission. Documents can be submitted on various page sizes but must be legible on 8.5"x11" (letter-sized) paper with no resulting font size less than 12pt.

By signing this application, you acknowledge that **all** required materials and payments must be submitted in full and in accordance with the specified guidelines. Incomplete or inaccurate submissions may result in rejection and return without further review.

To help ensure your application is complete, a pre-application meeting is highly recommended. You may contact the Growth Services Development at 352-438-2674 and a planner will be able to assist you with scheduling a pre-application meeting.

Certain special use permit applications require additional information and materials (see checklist item #4). There are additional requirement checklists for these certain special uses, which are available at the Growth Services front desk and downloadable on its website.

Growth Services reserves the right to require additional documentation on a case-by-case basis. Should more information be required, the planner assigned to your case will contact you.

A Special Use Permit application is complete and sufficient for review when an Applicant provides the following materials and information:

- 1) ☐ A signed and complete application form accompanied by payment of the application fee.
 - a. To confirm the appropriate payment amount, see the fee schedule available on the Marion County Growth Services webpage. Payments may be made by **cash, check, or credit card¹**. **Make checks payable to: Marion County Board of County Commissioners.**
 - b. Ensure the application is signed by the Owner(s) and Applicant/Agent or provide written authorization naming the Applicant/Agent to act on behalf of the Owner(s).
- 2) ☐ A copy of the most recent **recorded deed** conveying the property to the current owner. (NOTE: If the property is owned by a Corporation or Trust, also provide a copy of the Corporation or Trust document showing the person signing as "Owner" is a manager/registered agent of the company.)

¹ Payments using a credit card are subject to a surcharge.

- 3) ☐ **Findings of Facts**, either typed or written on 8 ½" x 11," letter-sized paper. See *Finding of Facts Requirements and Cheat Sheet* on page 4 and 5.
(NOTE: If typed, use minimum 12pt font. If written, ensure the document is legible. Illegible documents may result in a delayed review or rejection.)
- 4) ☒ **Additional Findings of Facts, ONLY required for the following Special Use Permit types (select if applicable).** See the form for "Additional Requirements for Specified Special Use Permits."
- a. ☐ Construction & Demolition Debris Landfill
 - b. ☐ Kennels
 - c. ☐ Manufactured homes in R-2, R-3, & R-E
 - d. ☐ Mining
 - e. ☒ Parking a Commercial Vehicle Exceeding 16,000 lbs.
 - f. ☐ Schools
 - g. ☐ Telecommunication Towers
 - h. ☐ Wastewater Treatment Facilities and Treated Effluent Disposal
- 5) ☐ A Concept Plan using an appropriate scale, prepared to be consistent with (1) the provisions of Article 2 and 6 of the Land Development Code and (2) the written/typed standard for the **Findings of Facts**.
(NOTE: Certain special uses listed above require additional information and materials for concept plan review.)
- 6) ☐ A location map that clearly:
- a. Outlines the subject property; and
 - b. Shows the current zoning, future land use designation, and existing land uses for the subject property and adjacent properties.
- 7) ☐ (Optional) Any additional supporting documents, media, or information to support the application. Provide a written or typed itemized list detailing all supplemental attachments.
(NOTE: If the Applicant requests a Special Use Permit for **reasonable accommodation for animals**, then supporting documentation is **required**.)

Special Use Permit Application

Finding of Facts Requirements and Cheat Sheet - 2026

An Applicant for a Special Use Permit must address **nine (9)** Findings of Facts within both the required Concept Plan in a separate written/typed document. Growth Services may require an Applicant to address additional Findings of Facts to confirm whether the Applicant acknowledges and accounts for any unique conditions relating to the proposed special use.

This section provides the required Findings of Facts as well as instructions intended to help you satisfy the Findings of Facts requirement of the Special Use Permit application. **Write or type your answers on a separate document and attach the document to your application package.**

If your application requires additional Findings of Fact as laid out in the Special Use Permit checklist item #4, include the additional Findings of Fact in the same document in addition to the standard Findings of Fact.

Should you have questions regarding the Finding of Facts or the application process, please contact the Growth Services Department at 352-438-2674 and a planner will assist you.

Required Nine (9) Questions for the Findings of Facts: **(Attach as a separate document)**

- 1) ☐ Provision for ingress and egress to property and proposed structures thereon with particular reference to automotive and pedestrian safety and convenience, traffic flow, and control and access in case of fire or catastrophe.
 - a. Describe the access from the roads to the subject property.
 - b. Describe the access from the roads to each accessory structure on the subject property.

- 2) ☐ Provision for off-street parking and loading areas, where required, with particular attention to the items in (1) above, and the economic, noise, glare, or odor effects of the Special Use Permit on adjoining properties and properties generally in the surrounding area.
 - a. Describe how parking will be provided at the subject property.
 - b. Describe how loading areas will be provided at the subject property.
 - c. Describe how the Special Use Permit may cause any economic, noise, glare, or odor effects to the neighboring properties or surrounding area.

- 3) ☐ Provisions for refuse and service area, with particular reference to the items in (1) and (2) above, describe how waste removal will take place.
- 4) ☐ Provision for utilities (including water and sewer), with reference to locations, availability, and compatibility, describe how utilities will be provided to the subject property.
- 5) ☐ Provision for screening and buffering of dissimilar uses and of adjacent properties where necessary, describe if there will be landscaping, fencing, screening, or buffering around the subject property.
- 6) ☐ Provision for signs, if any, and exterior lighting with consideration given to glare, traffic safety, economic effects, and compatibility and harmony with properties in the surrounding area, describe if there will be any signs or exterior lighting as part of the Special Use Permit.
- 7) ☐ Provision for required yards and other green space:
 - a. Describe how much of the site will remain undeveloped.
 - b. Confirm that setback requirements are being met.
- 8) ☐ Provision for general compatibility with adjacent properties and other properties in the surrounding area, describe the general surrounding properties and how the proposed Special Use Permit will fit with the existing uses.
- 9) ☐ Provision for meeting any special requirements required by the site analysis for the particular use involved, describe if you will be willing to meet any special conditions necessary to obtain this special use permit.

WRITTEN STATEMENT

Special Use Permit – Commercial Vehicle Parking

Marion County, Florida

To Whom It May Concern,

This written statement is respectfully submitted in support of the Special Use Permit application for the parking of a commercial vehicle exceeding 16,000 lbs at the subject property located within Marion County, Florida.

The business operating the vehicle is **AVS Logistics LLC**, owned and operated by **Alamday Valle**. The company provides interstate commercial transportation services throughout the United States and operates legally as a professional trucking business.

The commercial truck and trailer are used exclusively for transporting dry goods and general packaged merchandise. Typical cargo includes packaged beverages, sodas, chips, snacks, canned products, and similar dry consumer goods. The vehicle is **not** used for transporting refrigerated products, frozen foods, hazardous materials, industrial chemicals, fuel, toxic substances, or waste materials of any kind. The truck is not a refrigerated unit and does not contain refrigeration equipment.

The vehicle operates primarily in interstate commerce and routinely travels outside the State of Florida for long-distance deliveries and transportation services. The truck and trailer are commonly away from the property for extended periods due to active routes and commercial operations throughout multiple states.

The commercial vehicle is only parked at the property temporarily and intermittently, generally approximately once per month for an estimated period of seven (7) to ten (10) days. During these periods, the vehicle is parked solely for normal operational purposes, including driver rest periods, scheduling, maintenance coordination, loading preparation, and compliance with transportation safety regulations. The remainder of the time, the vehicle is actively operating on interstate transportation routes outside the local area.

The vehicle is maintained in safe and operable condition and is fully registered and insured in accordance with applicable state and federal transportation regulations. The business takes all reasonable measures to ensure that the parking of the vehicle does not create disturbances, excessive noise, environmental concerns, traffic obstructions, or safety hazards within the surrounding community.

2011 White Volvo Commercial Truck Tractor

Attachment A Application Package

Florida License Plate: DF3 4BP

VIN: [Insert Truck VIN]

Trailer Information:

2016 Commercial Trailer

Florida License Plate: QBS 5JD

Plate Type: Permanent TL

VIN: [Insert Trailer VIN]

Colored photographs of the truck and trailer, including visible Vehicle Identification Numbers (VINs), are included with this application package in accordance with Marion County requirements for Special Use Permit review.

This request is respectfully submitted for consideration and approval by Marion County. The applicant is committed to maintaining compliance with all county requirements, zoning conditions, and applicable regulations associated with the use of the property.

Respectfully submitted,

Evelyn Turrent

SPECIAL USE PERMIT – FINDINGS OF FACT REQUIREMENTS

Proposed Use: Commercial Truck Parking / Semi-Truck Storage

Property Address: 4660 SW 166th Court Rd, Ocala, FL 34481

Parcel Description: Lots 1 & 2, Block C

Property Size: Approximately 2.22 Acres (96,703 Square Feet)

1) PROVISION FOR INGRESS AND EGRESS TO PROPERTY AND PROPOSED STRUCTURES THEREON

a. The subject property has adequate and safe access from both SW 166th Court Road and SW 46th Street for the proposed commercial truck parking use. The property contains two existing access points, allowing proper traffic circulation and separation of residential and commercial vehicle movement. The commercial truck and trailer will primarily utilize the SW 46th Street entrance, which is located on a low-traffic roadway with no through traffic or dead-end circulation concerns. This access configuration minimizes traffic impacts to surrounding residential areas and reduces potential roadway congestion.

b. The site provides sufficient width, visibility, maneuvering space, and turning radius for semi-trucks, trailers, passenger vehicles, and emergency vehicles. Internal circulation areas allow safe entry, exit, and vehicle movement throughout the property without creating traffic hazards, roadway obstruction, or interference with public access. The property also maintains adequate emergency access for fire rescue, law enforcement, and emergency response vehicles consistent with Marion County safety requirements.

2) PROVISION FOR OFF-STREET PARKING AND LOADING AREAS

a. The property provides adequate off-street parking and designated vehicle storage areas for the proposed commercial truck use. The site contains sufficient open land area to accommodate truck parking, temporary trailer storage, and maneuvering operations while maintaining safe circulation throughout the property.

b. No commercial loading dock operations or industrial loading activities are proposed on the property. The site is intended solely for parking and temporary storage of a commercial truck and trailer associated with interstate transportation involving dry goods only.

c. Parking activities are located within the interior portion of the parcel and are arranged to minimize impacts to adjacent properties. The proposed truck and trailer parking area maintains a separation distance of more than 100 feet from the nearest surrounding residential homes, providing an appropriate buffer between the commercial vehicle parking area and neighboring properties. The trailer does not contain refrigeration units, generators, or other equipment that would create excessive operational noise or odor effects.

3) PROVISIONS FOR REFUSE AND SERVICE AREA

The property owner will maintain the site in a clean, orderly, and safe condition consistent with Marion County regulations. No solid waste processing, hazardous waste disposal, industrial storage activities, junkyard operations, or outdoor commercial operations will occur on-site. No mechanical repairs, vehicle servicing, maintenance work, body work, fueling operations, or commercial repair activities for the truck or trailer will occur on the property at any time. Waste removal, if necessary, will occur through standard residential or approved private waste collection services consistent with surrounding residential and rural properties.

4) PROVISION FOR UTILITIES

The property has adequate utility services available for the proposed use, including electrical service, water supply, and approved wastewater systems in accordance with Marion County and State of Florida regulations. Stormwater drainage patterns remain functional and compatible with existing site conditions. The proposed use will not create adverse runoff conditions or negatively impact neighboring properties. Existing utility services are compatible with the limited nature of the proposed truck parking operation.

5) PROVISION FOR SCREENING AND BUFFERING

The property contains sufficient open space and separation distance to reduce potential impacts to nearby residential properties, including a separation distance of more than 100 feet from the nearest homes. The existing rural character, vegetation, and natural buffering of the property assist in minimizing visual and sound impacts associated with the proposed truck parking use. If required by Marion County in the future, the property owner is willing to install additional screening measures, including a six-foot privacy fence or similar buffering barrier, along applicable property boundaries to further separate the proposed truck parking area from adjacent parcels.

6) PROVISION FOR SIGNS AND EXTERIOR LIGHTING

No on-site signage, commercial advertising signs, or promotional displays for the trucking company are proposed or currently located on the property. Exterior lighting, if utilized, shall remain limited to safety purposes only and directed downward to minimize glare onto adjacent parcels and surrounding roadways. The proposed use is not expected to negatively impact traffic safety, surrounding property values, or compatibility with nearby residential and rural properties.

7) PROVISION FOR REQUIRED YARDS AND OTHER GREEN SPACE

a. The majority of the 2.22-acre parcel will remain undeveloped and maintain its existing rural and residential character. The proposed truck parking area utilizes only a limited portion of the property while preserving open space, natural vegetation, and existing drainage characteristics.

b. The proposed use will maintain required setbacks and spacing from adjacent properties consistent with Marion County zoning and land development requirements.

8) PROVISION FOR GENERAL COMPATIBILITY WITH ADJACENT PROPERTIES

The proposed commercial truck parking use has been evaluated for compatibility with surrounding land uses and existing site conditions. Due to the parcel size, rural character of the area, existing setbacks, natural buffering, and internal parking arrangement, the proposed use is not expected to negatively impact neighboring properties or surrounding traffic conditions. The proposed use is limited exclusively to the parking and temporary storage of a commercial truck and trailer associated with interstate transportation involving dry goods only. No dispatching business activities, outdoor industrial activities, truck terminals, fueling operations, or commercial repair activities will occur on-site. The property will maintain its residential and rural character, and all truck parking activities will be conducted in an orderly and safe manner consistent with Marion County regulations.

9) PROVISION FOR MEETING SPECIAL REQUIREMENTS

The proposed use has been reviewed based on site-specific conditions and is designed to comply with applicable Marion County land development regulations, zoning requirements, and special use permit conditions for commercial vehicle parking and storage. The applicant agrees to comply with any additional reasonable conditions required by Marion County during the review and approval process, including potential screening, buffering, operational limitations, or other site-specific requirements if deemed necessary by the County.

IMPORTANT INFORMATION

Section 316.613, Florida Statutes, requires every operator of a motor vehicle transporting a child in a passenger car, van, autocycle or pickup truck registered in this state and operated on the highways of this state, shall, if the child is 5 years of age or younger, provide the protection of the child by properly using a crash-tested, federally approved child restraint device. For children aged through 3 years, such restraint device must be a separate carrier or a vehicle manufacturer's integrated child seat. For children aged 4 through 5 years, a separate carrier, an integrated child seat, or a child booster seat may be used. For limited exceptions, see s. 316.613, F.S.

S. 320.0605, F.S., requires the registration certificate, or true copy of a rental or lease agreement, issued for any motor vehicle to be in the possession of the operator or carried in the vehicle while the vehicle is being used or operated on roads of this state.

S. 320.02 and 627.733, F.S., requires personal injury protection and property damage liability to be continuously maintained throughout the registration period. Failure to maintain the mandatory coverage may result in the suspension of your driver license and registration.

Mail To:

ALAMDAY VALLE SANCHEZ
3512 E 22ND AVE
TAMPA, FL 33605-2249

Important note: If you cancel the insurance for this vehicle, immediately return the license plate from this registration to a Florida driver license or tax collector office or mail it to: DHSMV, Return Tags, 2900 Apalachee Parkway, Tallahassee, FL 32399. Surrendering the plate will prevent your driving privilege from being suspended.
