Scope of work

The price quoted is for all materials, labor, and equipment to install 6" Water Connection, 6" watermain, (1) Single service, and Blow off assembly to Marion County standards. This includes all testing, disinfecting, and back tees. Burton Utilities is responsible for all testing and certificates. Restore right of way back to existing condition or better. Restore building site to original grade.

Not included

Water meter provided by others. If rock or unsuitable material is encountered during installation LF price will increase. Does not include encountering rock or dewatering. Survey not included. ROW Permit by others.

Company proposal

We estimate that the project will take approximately 1 week to complete. Our team will work closely with you throughout the process to ensure that the SW 76 Ct Terrace Watermain Extension project is completed on time. This proposal is good for 30 days from 08/19/2025.

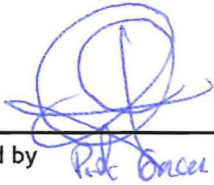

Our estimated proposal for this project is \$27,312.31 which includes all labor, materials, and necessary permits. We will provide a detailed breakdown of the costs and work closely with you to ensure that the project stays within budget. Please reach out if you have any questions.
