Memo

M24-595820

02/07/24 10:13 JLC- I, ACC Correnti, arrived at 4729 SW Floral Ct and met with Ken Odom from Growth as well as property owner Kathleen Bryan. I observed a large property that had a temporary large round pen set up. "Stevie Nickers" was not yet on the property as Kathleen is ensuring the SUP goes through first. She had fencing as well as a canopy shelter in progress. She is also looking to have two horses on the property.

Feed/hay was available. There is a large number of trees on the property as well to provide shade. At this time, the property meets ordinance for care of horses.
