Finding of Facts

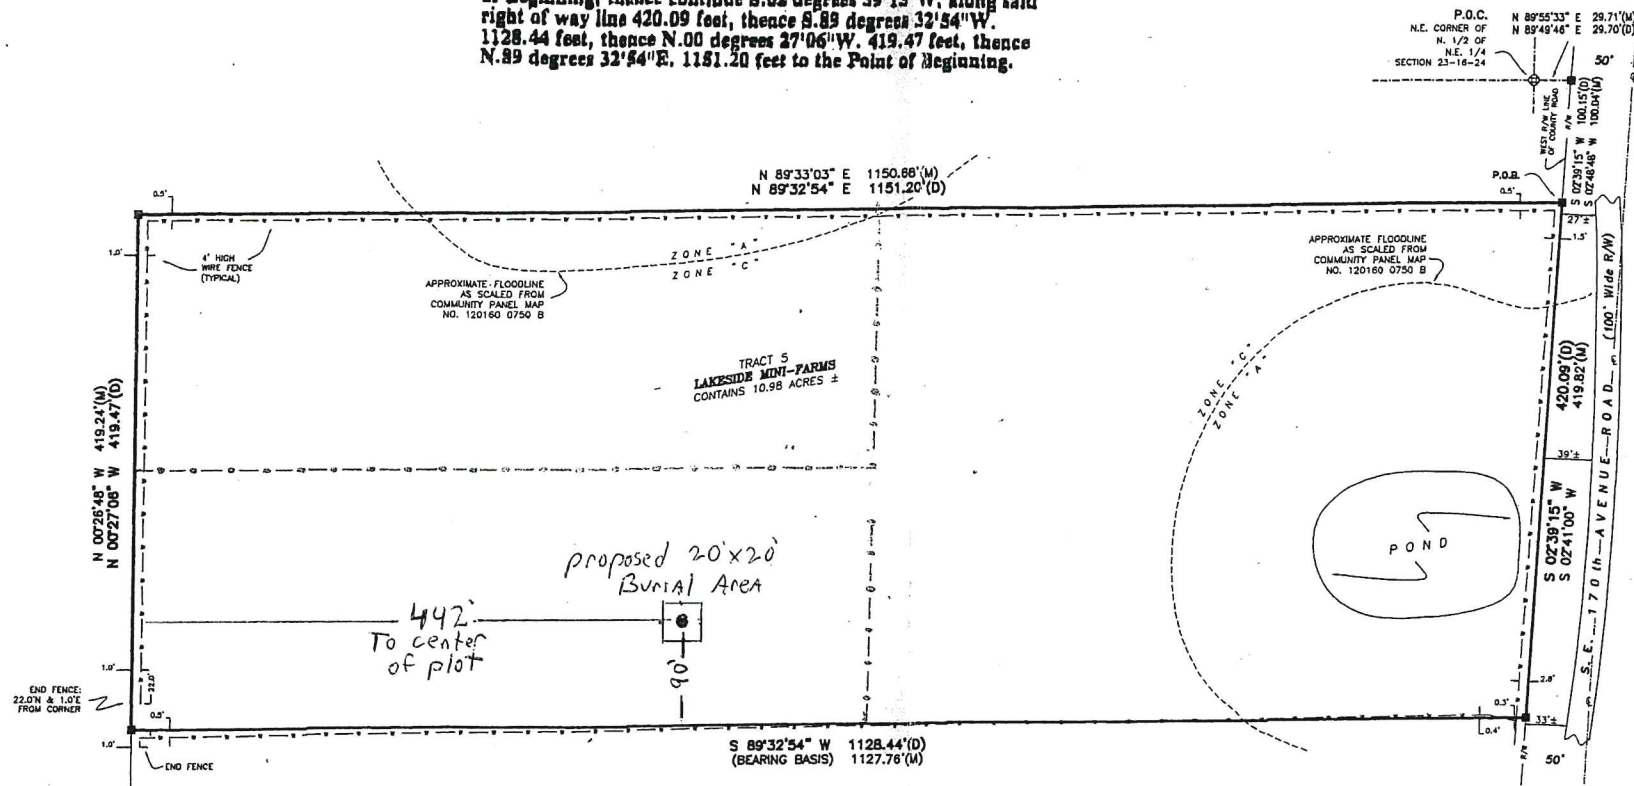

- This Special Use Permit application is for the sole purpose of establishing a 20'x20' burial area on a privately- owned land parcel. This will be utilized for a total of two burials.
- The proposed area will be maintained by owners until which time both are deceased. Upon death of remaining owner, both the proposed area as well as the entire parcel shall be placed in trust for use and upkeep in perpetuity.
- Ingress/egress shall remain from the NE corner of property as indicated on the aerial parcel view provided.
- Aerial view depicts proposed areas location in reference to existing structures and utilities.
- This proposed change does not necessitate any alteration to existing traffic flow, pedestrian safety or emergency access to the parcel.
- No adverse conditions will be created regarding the SUP and the surrounding area.
- No off-street parking or additional access to parcel is required.
- The proposed SUP area is positioned 442' from the existing Western property boundary and 90' from the existing Southern boundary. These details are indicated on the included survey sheet.
- The proposed area is a minimum of 130' from any/all utilities and ROW.
- The proposed area is screened from surrounding parcels by naturally occurring trees and plants of various types. Photos have been included depicting the screening from the pertinent directions.
- Proposed area will be fenced and gated.

- The subject parcel is located among others designated as A1 zoning and pasture grazing land.
- Owners are willing to meet additional requirements if necessary pertaining to this application.
