Rebecca,

I'm sending you this email in response to my attendance . I've been out of town for a while and it is restricted me from my duties for the LDRC. In addition in January, I've got some scheduled surgery that will take me out for about eight weeks. I apologize for not being able to fulfill my duties as required I really appreciate the opportunity to work with you and the others. At this time, I would like to formally resend my seat and allow that position to be available for someone else . I really appreciate the opportunity that has been granted to me by the board of county commissioners. Should I need to send this email to anyone else, please let me know. Thank you again for your patience with my attendance record. I know you're very prudent in calling and trying to make sure our meetings were success. Wishing you and your family a very merry Christmas and hope to see you sometime in the future.

Sincerely,

Jonny Heath
