SECTION 2. FINDINGS AND CONDITIONS. The Board of County Commissioners agrees with the recommendation and findings of the Zoning Commission recommending approval of the Special Use Permit and the Board approves the Special Use Permit subject to the following conditions:

1. The site shall be developed and operated consistent with the submitted conceptual plan and the conditions as provided with this approval.
2. Use of the RV facilities and parking spaces shall be permitted only in conjunction with the presentation of dog shows.
3. Operation of the site for dog shows and any associated RV parking shall be limited to a maximum of 60 days per calendar year.
4. Prior to commencement of any dog show events, the owner shall notify the Marion County Zoning Division, Fire Services, and the Public Information Officer in writing a minimum of 10 working days in advance, and provide the event title/name, duration, and estimated number of visitors for the event along with an event coordinator name and contact information.

7. The ingress/egress shall be from NW Gainesville Rd. using a paved driveway apron. Within thirty (30) days of approval of this Special Use Permit, the applicant shall contact the Marion County Transportation Department to establish how access will be provided to the site and determine the type and extent of driveway apron and/or other driveway apron improvements required, including obtaining any necessary R/W Permit(s). Existing vegetation along the property's frontage may be used to satisfy the buffering requirements with additional vegetation planting provided to "fill-in" gaps, etc. in the existing vegetation.
