#### Freight Cost Notice

Due to rapidly fluctuating freight costs, actual freight expenses could change vs the estimates provided in the initial quote received. Actual freight cost will be confirmed near order completion.

#### Liability Disclaimer

Bucks Fabricating does not assume any responsibility and will not be held liable for issues that arise due to incorrect truck/hooklift information provided to us. This includes, but is not limited to, incorrect stops type and location, bodies not being within manufacturer recommended lengths, interference with taillights, toolboxes, fenders, etc. Please verify that all information provided is correct and accurate prior to submitting order.

#### Unloading Equipment Detail

Your containers will arrive stacked on a semi-trailer not a roll-off truck. Unloading equipment will be needed to remove the units from a semi-trailer once order is delivered.

This Quote is valid for 3 days from Quote Date.

Roll-offParts reserves the right to add tariff related surcharges to this order or any current unshipped order.

All Orders are subject to Deist Terms and Conditions OS-100. See attached.

The product prices listed herein are based on current steel prices, if there is a 3% or greater shift in steel prices before this order is produced, we will notify you of any applicable changes in the costs of these products.

By providing your signature of approval, you are agreeing the parts and/or containers will be manufactured as described and no additional modifications or changes will be made to the order once the signature of approval is received.

By providing your signature of approval above, you are acknowledging that the delivery address is correct and accurate. If the delivery location changes at the time of shipment or if the customer redirects a carrier to a destination which is more than 5 miles from the original delivery destination, additional delivery charges will apply.
